The article on Wong by the Georgia Record reveals that Wong worked for Hillary Clinton and Facebook but claimed to be "Red Pilled" going forward

The journalist confirmed Wong made unverifiable accusations against Gavin Wax and went on to recently attack other conservatives in New York like Steve Bannon, along with CCP dissident Miles Guo, who is currently under indictment by DOJ. Steve Bannon is a leader of the populist America First movement.

The article " Wong was named president of BlakPAC in February of 2022, and left the organization a few months later amongst accusations back and forth, between PAC management and her, of financial misdealings"

Spartan Investigations has documented over 25 webpages of evidence pertaining to our own Angie Wong investigation which is published on VirginiaVFAF

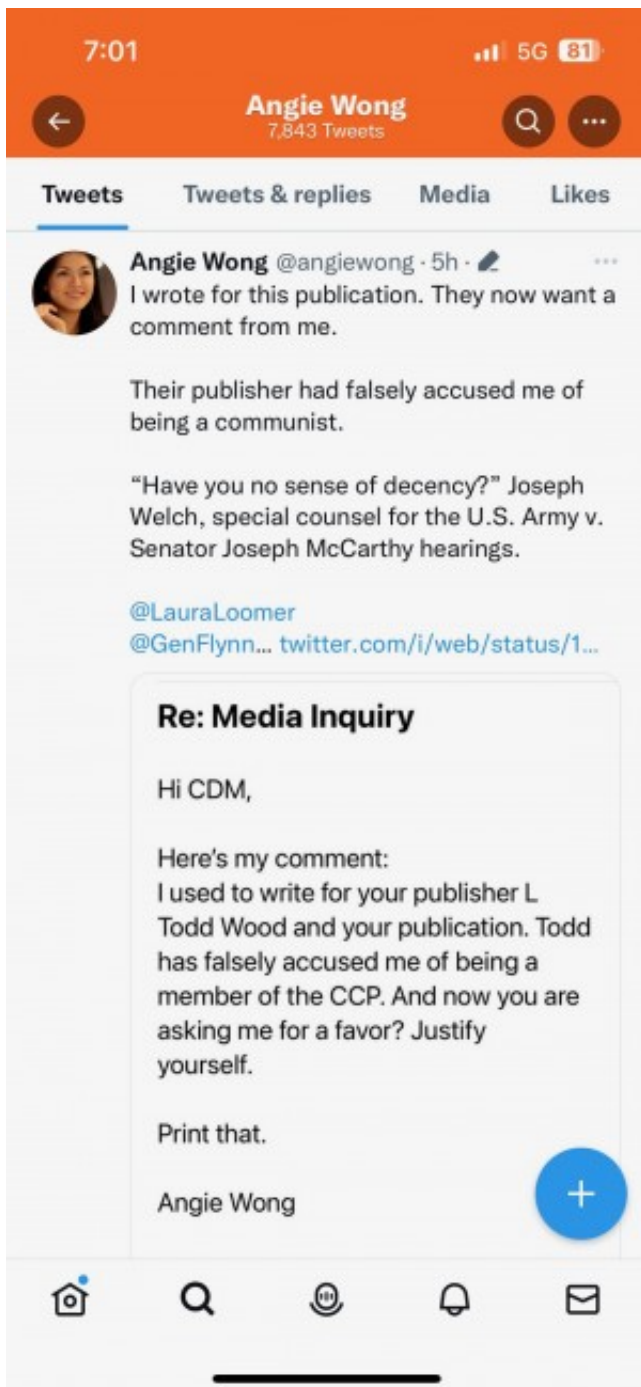

During our Spartan Investigation into Angie Wong these last few months we compiled evidence pertaining to Angie Wong that she tried to hurt the Trump campaign twice. Angie Wong's own sister has given a sworn statement accusing Angie of theft, misappropriation of funds, and duplicity.

Esther Mak Wong Angie Wong's own mother states she committed bank fraud by using her name (mother) to illegally transfer funds. Angie Wong accused Gloria Starr Kins, who is a 96-year-old United Nations Journalist of defamation requesting a cease-and-desist order to use in an alleged litigation scheme.

Angie Wong attempted to fabricate an accusation against a public figure, and Trump pundit. Gavin Wax involved three female complaints. Several people in the media have questioned Wongs' ethics.

BLAKPAC political action committee members and donors came forward to expose Angie Wong for misappropriation of funds. Angie Wong's embezzlement scheme was proven to criminal prosecution standards with a legally recorded call.

Angie Wong's cease and desist letter she posted has been totally disproven as just her own false statements. Wong handled her time as Legacy PAC president with the most bizarre actions all off which have been documented. Wong attempted to shut down a conservative newsroom. Wong filed a false FEC report, a federal crime, and has been sued for stealing a dog. These proofs are all available by clicking the news tab at <https://viriniavfaf.org/news/>
