

Get to know Medical Oncologist Dr. Susanna Gaikazian, who serves patients in Florida.

Susanna Gaikazian, MD, a Medical Oncologist with Florida Cancer Specialists & Research Institute - Estero Cancer Center and Fort Myers Cancer Center

New York City, New York Sep 11, 2023 ([IssueWire.com](http://www.IssueWire.com)) - A board-certified medical oncologist, Dr.

Gaikazian joined Florida Cancer Specialists & Research Institute in 2022, bringing more than ten years of experience treating a wide variety of solid tissue tumors, hematologic malignancies, and benign hematologic disorders. She provides care to patients at Florida Cancer Specialists & Research Institute - Estero Cancer Center and at Fort Myers Cancer Center - Colonial Office.

Prior to joining Florida Cancer Specialists & Research Institute, she provided oncology care in private practice with Cancer Care Associates in Royal Oak, Michigan.

Throughout her academic career, Dr. Gaikazian received her Medical Degree from Yerevan State Medical University in Yerevan, Armenia. She then relocated to the United States, completing a residency in internal medicine and a fellowship in hematology/oncology with Henry Ford Health System in Detroit, Michigan, and participated in numerous medical education and practice improvement initiatives.

Subsequent to her training, the doctor attained board certification in both medical oncology and hematology through the American Board of Internal Medicine (ABIM). The ABIM is a physician-led, non-profit, independent evaluation organization driven by doctors who want to achieve higher standards for better care in a rapidly changing world.

Among her professional affiliations, Dr. Gaikazian is an active member of the American Society of Clinical Oncology and the American Society of Hematology.

Oncology is a branch of medicine that deals with the prevention, diagnosis, and treatment of cancer. A medical professional who practices oncology is an oncologist. A medical oncologist is a doctor who treats cancer and provides medical care for a person diagnosed with cancer. They lead a cancer treatment team of various healthcare professionals, coordinate treatment plans, and prescribe various types of treatment, including chemotherapy and immunotherapy, as well as assist patients with pain management.

Active in clinical research, her abstracts have been widely published and Dr. Gaikazian is a frequent presenter at professional forums.

In her leisure time, she enjoys traveling, music, art, and fine dining, as well as outdoor activities, including gardening and boating. She is fluent in English, Armenian, and Russian.
