

Jennifer Emerson, DDS, a Dentist with North Seattle Restorative & Preventative Dentistry

Get to know Dentist Dr. Jennifer Emerson, who serves patients in Washington.

New York City, New York Sep 14, 2023 (IssueWire.com) - A top-rated dentist, Dr. Emerson directs North Seattle Restorative & Preventative Dentistry in Kenmore, Washington.

Some of her areas of expertise include general dentistry, cosmetic and aesthetic dentistry, preventive and restorative dentistry, and implants with prosthodontics. Her mission is to provide supportive and preventive dental treatment as part of a team of care providers.

The members of Dr. Emerson's staff are at the top of their game and always eager to learn new techniques to give patients the best and most up-to-date dental care. They strive to provide comprehensive dental care based on patients' individual needs, and love sharing their know-how and tips to keep the mouth healthy and happy.

North Seattle Restorative & Preventative Dentistry is proud to partner with three of the finest dental labs in the country, which all happen to be in the Seattle area. Dr. Emerson hand picked them because they make the highest-quality prosthodontic products such as strengthening dental veneers, crowns, partial dentures, and long-term implants.

Throughout her academic career, Dr. Emerson graduated with her Bachelor of Science Degree in Chemistry from Yale University in 1998. She then went on to earn her Doctor of Dental Surgery Degree from the University of Washington School of Dentistry in 2008.

Having been in the field of dentistry treating people for over 15 years, Dr. Emerson follows a patient-centered approach of providing high quality care which is tailored to each patient's needs.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. Dentists diagnose and treat dental issues and help patients develop better oral hygiene regimens. They clean teeth, correct bite issues, perform surgeries and extractions, and perform other duties to ensure that the teeth and mouth are healthy.

Among Dr. Emerson's various accolades include Yale Masters Award (1998), UW Hospital Dentistry Award (2002), UW Governance & Service Award (2002), UW Wands Fellowship in Prosthodontics (2008), to name a few.
