**New York City, New York Sep 25, 2023 ([IssueWire.com](https://www.issuewire.com))** - Misty is a Broker Associate at 360 Prime Realty, LLC in Edwardsville, Illinois and Owner/Broker of Grand Business Brokers, LLC DBA Sunbelt Business Brokers of Metroeast Illinois. She is dedicated to providing top-notch service and ensuring that her clients' needs are met with utmost professionalism.

With a focus on business transaction advisement, commercial real estate, and business buy-sell opportunity marketability. Misty has built a reputation for her expertise in these areas. Her secret to success lies in her unwavering trustworthiness, which has earned her the respect and loyalty of her clients.

Personally growing up in a family of small business owners, Misty was taught that the owner does it all in the time of need. From sweeping the floor, to writing the payroll checks, to being a shoulder to cry on when employees are having a bad day.

A strong business development professional, Misty holds a Bachelor of Science Degree in Computer Management Information Systems from Southern Illinois University Edwardsville in the school of business.

She has owned multiple businesses in video casino-gaming, education, real estate, business consulting, and agriculture. Her most successful business included taking a company from servicing just 50 small business owners to servicing over 450 small business owners in the video gaming industry. This business was merged with a company that is now public on the NYSE.

After leading several multi-million dollar deals facilitating sales development, executive management, negotiations, deal making, and pricing in the corporate world, Misty brought those foundational skills to supporting her business brokerage practice focused on small business owners in her personal community.

With 25+ years of experience in the business industry and a commitment to excellence, Misty consistently delivers exceptional results for her clients. They appreciate her reliable and honest approach, knowing that they can rely on her to guide them through even the most complex real estate and business transactions.
