National Registration Group Adds Certifications

Atlanta, Georgia Sep 21, 2023 (Issuewire.com**)** - National Registration Group, (NRG) a leading consulting, writing, and proposal submission company is pleased to announce that they have secured the following Government Certifications for the following companies:

- Hearing Concepts, Inc - WOSB
- OQT Trucking LLC – GA-DBE
- Dial's Trucking LLC – NC-DBE
- Mystique Consulting Services, Inc - MBE NMSDC
- Big Hicks Family Trucking – TX-DBE
- Solel Media Company - HUBZone
- Paige Harper Trucking - TN DBE

"These Certifications permit our clients to service all Federal, State, and Municipal government purchasing; the State Specific Certifications increase the likelihood that they can effectively bid on State Contracts," states Donna B., Senior Director at www.nationalregistrationgroup.com. She continues: "We provide companies with a team of experts to assist in marketing, consulting, writing, and submission of proposals for public (government) and private (corporate and/or non-profit) teaming opportunities."

About National Registrations Group.com: For over 20 years, www.nationalregistrationgroup.com has been connecting small businesses with government purchasing solutions. We have registered over 20,000 businesses in the SAM.gov database and continue to deliver FAR-compliant companies to the government ready to sell their services. When you choose NRG to handle your B2G registrations and applications, you get peace of mind knowing your company will be setup correctly and efficiently to maximize your results in the government marketplace.
