

Nicholas Wingate, MD, a Plastic Surgeon with Legacy Plastic Surgery & Aesthetics

Get to know Plastic Surgeon Dr. Nicholas Wingate, who serves patients in Pennsylvania.

New York City, New York Sep 14, 2023 ([IssueWire.com](https://www.IssueWire.com)) - Prioritizing patient trust, Dr. Wingate is a plastic and reconstructive surgeon practicing at Legacy Plastic Surgery & Aesthetics since 2021. His speciality is aesthetic contouring, and he is an expert injector and leads the area in non-surgical alternatives to achieve patient goals.

“My top priority is for my patients to have an outstanding experience. I will always give them my undivided attention, both in consultation and throughout the operating process. Each patient is different, and it’s my responsibility to ensure their needs are met, with quality outcomes. We will always work to custom tailor our approach to each individual, through the most advanced surgical and non-surgical treatments available.”

Legacy Plastic Surgery & Aesthetics serves patients in Exton and all of Chester County, including West Philadelphia and communities throughout the Main Line. From cosmetic surgery procedures to non-surgical services, the experienced team of plastic surgeons and staff are committed to providing patients with safe care that showcases their ideal look.

Growing up in Chester County, Pennsylvania, Dr. Wingate graduated from Vanderbilt University with a Bachelor of Arts Degree in Neuroscience, and attended the Jefferson Medical College in Philadelphia for his Doctorate of Medicine. During medical school, he was chosen by peers and faculty members as the recipient of the Gold Humanism Honor Society Award (GHHS), as a part of a national network which recognizes medical practitioners who serve as “role models of the human connection in healthcare”.

Following medical school, Dr. Wingate was accepted to the prestigious integrated residency in Plastic and Reconstructive Surgery at the University of Rochester Medical Center, Strong Memorial Hospital. During his residency program, he was awarded the Resident Research Award and served as Chief Resident.

Now, he is board-eligible and a candidate for the American Board of Plastic Surgery (ABPS). The mission of the ABPS is to promote safe, ethical, efficacious plastic surgery to the public by maintaining high standards for the education, examination, certification, and continuous certification of plastic surgeons as specialists and subspecialists.

Throughout his undergraduate and medical school programs, and now in his career, Dr. Wingate has played an integral role in several technology startups. He believes strongly in advancing the field of plastic surgery through cutting-edge technology, with an emphasis on patient safety.

Plastic surgery is a surgical specialty involving the restoration, reconstruction, or alteration of the human body. It can be divided into two main categories - reconstructive surgery and cosmetic surgery. A plastic surgeon’s primary responsibility is performing surgical and non-surgical procedures, and they use a variety of reparative and reconstructive techniques to get the job done.

Delivering excellent outcomes, Dr. Wingate is the recipient of the 2022 West Chester Lifestyle Reader’s Choice Award by West Chester Lifestyle Magazine.

Outside of the office, he enjoys spending time and trying new hobbies with his wife and two children, including skiing, wakeboarding, golfing, and fishing.
