

S10 Labs and AHOD Co. Join Forces to Propel Zirco Line of Advanced Vaporizers

Innovative Vaporization Technology Companies Unite to Revolutionize Cannabis Experience

Los Angeles, California Sep 8, 2023 ([IssueWire.com](https://www.issuewire.com)) - S10 Labs, a pioneering California-based vaporization technology and hardware company, renowned for its commitment to advancing the cannabis industry through material science expertise, is proud to announce a groundbreaking partnership with AHOD Co., a premier PR agency specializing in cannabis representation. Together, they aim to elevate the Zirco™ line of advanced vaporizers to new heights.

"At S10 Labs, we've always believed in pushing the boundaries of what's possible in vaporization technology. Zirco™ represents the culmination of our dedication to quality and innovation," said Juansi Santaella, S10 Labs Representative. "By partnering with AHOD Co., we are taking the Zirco™ experience to the next level by ensuring that our message reaches the right audience and our product receives the recognition it deserves."

Zirco™: Redefining Vaporization Technology

As the world's first zirconia ceramic 510 thread cartridge, Zirco™ leverages Medical Zirconia Ceramics Technology to deliver unparalleled efficacy, flavor, and quality. It addresses common issues faced by cannabis operators, including heavy metal leaching and micro-fracturing, providing a solution that enhances user experience, consumer safety, and product compliance.

"Zirco™ is a game-changer for the cannabis industry," remarked Michael Kim, S10 Labs Representative. "Its unmatched thermal properties, durability, and resistance to corrosion set a new standard for vaporization hardware. It's not just about delivering a great experience; it's about ensuring safety and compliance in every use."

Zirco™: Now Available Nationwide

Zirco™, the world's premier zirconia ceramic cartridge, is currently available nationwide. S10 Labs offers a range of battery options, including Draw-Activated and Push-Button batteries, allowing users to customize their sessions according to their preferences.

"S10 Labs isn't just about creating exceptional hardware; it's about offering a complete experience," noted Mackenzie Whalen, S10 Labs Representative. "Our dedication to quality extends beyond the product itself. We're proud to provide a seamless, streamlined experience for our partners, helping them expand their presence in the industry."

AHOD Co.: Elevating Cannabis Brands to New Heights

AHOD Co., a leading PR agency specializing in the cannabis sector, has a proven track record of helping dispensaries, cultivators, processors, extractors, and brands establish their presence and reach in the industry. Notable clients, including Uncle Budd NYC, Omnium Canna, Tribal Dispensaries, and Drop Delivery, have all benefited from AHOD Co.'s expertise in branding, media relations, and strategic communications.

"We're excited to partner with S10 Labs on the Zirco™ project," said LeVar Thomas, Co-Founder of AHOD. "Our extensive experience in the cannabis industry positions us perfectly to elevate the Zirco™ brand, leveraging our unique insights and strategic approach to drive growth and success."
