Get to know Dentist Dr. Tina Kao-Reasoner, who serves patients in Fulton, Illinois.

New York City, New York Sep 14, 2023 ([IssueWire.com](https://www.IssueWire.com)) - Once a patient at Fulton Dental Associates, Dr. Kao-Reasoner is now a partner at her hometown family dental practice. She works alongside Dr. Scott Kunau, DDS, providing the Fulton community with state-of-the-art dental care in a friendly atmosphere with an emphasis on integrity and affordability.

“Dentistry is a pretty challenging field in itself. It takes a lot of skill to master because a lot of it is detail-

oriented. I think every day is a challenge; every day you're learning something new about it. There's always new products, new material and ways to do things that people haven't done before which is exciting. I don't think it ever gets old."

Graduating from Clinton High School in 2001, Dr. Kao-Reasoner received her Bachelor of Science Degree in Health and Human Performance from Iowa State University. She then went on to gain her Doctor of Dental Surgery Degree from the University of Iowa College of Dentistry in 2009.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. Dentists diagnose and treat dental issues and help patients develop better oral hygiene regimens. They clean teeth, correct bite issues, perform surgeries and extractions, and perform other duties to ensure that the teeth and mouth are healthy.

When she is not busy taking care of her patients, Dr. Kao-Reasoning enjoys spending time with her husband, their two small children, and two cats. She also likes to explore local entertainment offerings, and loves being an Adjunct Professor weekly at the University of Iowa.
