# UnicMinds Coding School to also focus on Gifted Education

**Bengaluru, Karnataka Sep 5, 2023 (**Issuewire.com**)** -  UnicMinds Coding School for Kids has recently launched a dedicated branch to serve the preparation needs of children appearing for various aptitude and gifted exams. The new platform, GiftedMinds, will provide various preparatory material and programs for children, catering to tutoring needs, exam practice needs, and self-learning needs of students. Sai Balivada, Co-Founder at UnicMinds, expects that this is a growing need for students across the globe and will also serve the diversification need for the company.

UnicMinds is a futuristic online coding school for kids and teenagers across the world. It provides more than 25 online courses designed specifically for kids with an adaptive curriculum designed by some of the best Ivy League alumni.
