Gorakhpur, Uttar Pradesh Sep 2, 2023 ([IssueWire.com](https://www.IssueWire.com)) - "Momentum at Vertex Global School means progress that is becoming faster and stronger"

We at Vertex Global School understand that the development of your career is to reach your goals in life. So, for a science student aspiring to get admitted to top engineering or medical institutes in the country, the highest levels of personal development are indispensable. For such purposes, Vertex Global School has launched [Momentum Coaching in Gorakhpur](#).

### Momentum Courses and Fiats

Momentum Coaching offers a range of courses to help students realize these career goals. These courses range from classroom programs to online programs. Each course caters to a specific category of students. Momentum in 2013 entered into Medical Entrance Preparation to provide good quality training for aspirants wanting to become medical professionals.

Momentum's methodology makes our students capable of resolving complex and tricky problems by sharpening their analytical skills as well as their parallel thinking process. We offer different courses catering to the diverse needs of the students.

With one and two-year courses in Engineering and Medical, Momentum also offers pre-foundation courses for class 9 and 10 students. These students are in the formative stages of preparation for the forthcoming entrance examinations.

One must realize that a good foundation always enhances your chance of success. Along with BITSAT simulation tests, called **Bits Practice**, students feel comfortable while facing the online BITSAT test as for them, the environment has become quite familiar.

### What does Momentum Coaching Gorakhpur envision?

As one of the most admired brands in UP's education sector, we help young aspirants make their dreams come true using high-quality technology-enabled systems.

### Our Mission:

**To create an environment of excellence by imparting quality education and producing proficient professionals.**

## Inspiring Journey of Momentum Coaching, Gorakhpur

Founded by Mr. Arvind Tripathi and Mr. Vikas Agrawal, both two of the best mentors in the best coaching Institutes of Kota, Momentum's genesis lies not in coincidence but in an urge to set standards of excellence. Perfection is needed in the quest for a place in IITs.

Our concept was to provide thinking-based education in an innovative and affable learning environment, which has proved extremely beneficial to the students of Purvanchal. In recent years, with a great success record, the result of the combination of our hard work and sincerity on the student's and teacher's part has been maintained at a consistent rate.

Arvind Tripathi graduated from IIT BHU in 2003 in Chemical Engineering, whereas Vikas Agrawal graduated from IIT BHU in 2002 in Metallurgical Engineering. Their combined vision of faculty management made Momentum the foremost name in quality training for the following:

- IIT-JEE
- Medical Entrance Examinations
- BITSAT

Ever since its inception, Momentum has been growing at a breathtaking pace as the institute has risen beyond all expectations. The volume of our results has proven the success of its mission. Our expertise has generated confidence among students, parents, and the general public alike. Because of this, it is considered as the premier institution for IIT-JEE guidance in Eastern U.P.
