Get to know Aesthetic Physician Dr. Faye Jamali, who serves patients in Mill Valley, California.

**New York City, New York Nov 1, 2023 ([IssueWire.com](https://www.IssueWire.com))** - Dr. Jamali, an aesthetic physician who is committed to providing the highest level of treatments and care possible, is the visionary Founder of Belle Marin Aesthetic Medicine. At the core of her practice lies her distinctive approach, described as “minimalism with a touch of luxury,” which permeates every aspect of her treatments.

Offering leading aesthetic treatments and service, Dr. Jamali's goal is to deliver superb results without complicated recovery times and the potential risks associated with surgical procedures. She firmly believes that aesthetic medicine is an art form, dedicated to enhancing individuals' natural assets while preserving their inherent beauty.

Her deep appreciation for art and environmental consciousness fuels her passion for cultivating natural radiance and rejuvenation. This commitment is evident in her selection of treatments, including the utilization of all-natural platelet-rich plasma (PRP), which harnesses the body's innate healing power to revitalize the skin.

Throughout her academic career, Dr. Jamali obtained her Medical Degree from the University of California, Davis - School of Medicine in 1993. She then went on to perform her residency in anesthesiology at the University of California, San Francisco in 1997.

Board certified in anesthesiology, she is a Diplomate of the American Board of Anesthesiology (ABA). The mission of the ABA is to advance the highest standards of the practice of anesthesiology.

Led by Dr. Jamali, Belle Marin Aesthetic Medicine provides state-of-the-art, award-winning treatments and the highest level of personalized care. The medspa is proud to offer a wide selection of injectables, including Botox®, Juvéderm® dermal fillers and Sculptra®, a leading collagen stimulator. For laser skin rejuvenation, offerings include award-winning Halo™ laser skin renewal and BBL® HERO photofacial.

Voted as the Best Medspa in Marin County in 2019 and 2021, Belle Marin Aesthetic Medicine also provides specialized treatments like PRP Facial and PRP Facelift, Vivace™ MicroNeedle RF, and Secret™ RF microneedling. In the realm of body contouring, services like CoolSculpting, CoolTone®, truSculpt® id, and Cellfina® are available. Furthermore, the medspa offers thread lifts, PRX-T33® chemical peels, clinical facials, and a multitude of other rejuvenating treatments.

Dr. Jamali's pursuit of excellence and her commitment to patients' well-being are brilliantly reflected in the extensive array of services offered at Belle Marin Aesthetic Medicine. Driven by a genuine passion for helping individuals reveal their inner radiance and achieve their personal best, she and her dedicated staff go above and beyond to ensure that each patient receives the utmost care and comfort during their aesthetic journey.
