Niru Prasad, MD, Pediatrician

New York City, New York Nov 6, 2023 ([Issuewire.com](https://www.issuewire.com)) - With over thirty years of experience, Dr. Prasad stands as a highly regarded pediatrician whose impact has reached far and wide, making a

positive difference on a global scale.

Among her distinguished roles, she holds the position of a senior staff physician with affiliations at the West Bloomfield Center of Henry Ford Hospital, St. Joseph Mercy Hospital-Pontiac, and West Bloomfield Beaumont Hospital in Royal Oak.

Her commitment extends to the healthcare of senior citizens at Urgent Care clinics, where she dedicates a substantial amount of her time, as well as to the well-being of local community members in need of medical care or guidance.

After receiving her medical degree from Patna Medical College in Bihar, India, Dr. Prasad relocated to the United States. There, she completed her residency in pediatrics at the Children's Hospital of Michigan.

Specializing in children's health, Dr. Prasad is a Diplomate of the American Board of Pediatrics, whose mission is to advance child health by certifying pediatricians who meet standards of excellence and are committed to continuous learning and improvement.

On a professional level, Dr. Prasad is a fellow member of the American College of Emergency Physicians and the American Academy of Pediatrics.

Pediatrics is the branch of medicine that involves the medical care of infants, children, and adolescents. The American Academy of Pediatrics recommends individuals be under pediatric care up to the age of 21. Pediatricians provide medical care to people ranging in age from newborns to young adults. They are trained to examine, diagnose, and treat children with a wide variety of injuries and illnesses through all of their developmental stages, as they grow and mature.

With an unwavering dedication to her profession, Dr. Prasad has authored numerous articles addressing a wide range of health issues, spanning adult emergency and pediatric medicine. These informative pieces have been featured in local newsletters and newspapers, covering critical topics such as child abuse, common health concerns, safety, depression, and precautions related to fireworks and sports.
