New York City, New York Oct 2, 2023 ([Issuewire.com](https://www.issuewire.com)) - Dr. Bhatti is an esteemed physician specializing in pain management & physical medicine and rehabilitation. Since 1996, he has been serving as the owner of Virginia Pain Network and Clinics in Richmond, Virginia.

His expertise lies in the treatment of musculoskeletal, back, and neck pain, demonstrating a deep understanding of his patients' concerns and issues. Additionally, Dr. Bhatti has extensively familiarized himself with nutritional medicine and manual medicine, expanding his scope of practice.

Adopting a holistic approach, he utilizes various techniques such as electrical stimulation, osteopathic methods, and aquatic exercises to effectively address pain conditions. Serving the patients of Richmond for over two decades, he continues to provide exceptional care and relief to those in need.

Educated in Pakistan, Dr. Bhatti graduated with his Medical Degree from Allama Iqbal Medical College in 1996. He then relocated to the United States, performing his residency in physical medicine and rehabilitation at Louisiana State University Health Sciences Center New Orleans from 1999 until 2004.

Solidifying his knowledge and skills, Dr. Bhatti attained Diplomate status through the American Board of Physical Medicine and Rehabilitation (ABPMR). The ABPMR was established in 1947 as the certifying body for the field of physical medicine and rehabilitation under the American Board of Medical Specialties.

In addition to being a Fellow of the American Academy of Physical Medicine and Rehabilitation, Dr. Bhatti is a member of the American College of Physicians.

Pain management is an aspect of medicine and health care involving relief of pain in various dimensions, from acute and simple to chronic and challenging. A pain medicine doctor has specialized training to evaluate, diagnose, treat, and prevent many different types of pain.

Physical medicine and rehabilitation, also known as physiatry, is a branch of medicine that aims to enhance and restore functional ability and quality of life to people with physical impairments or disabilities. Physical medicine and rehabilitation (PM&R) physicians, also known as physiatrists, treat a wide variety of medical conditions affecting the brain, spinal cord, nerves, bones, joints, ligaments, muscles, and tendons.

Engaged in a range of charitable and philanthropic endeavors, Dr. Bhatti actively supports several organizations. These include the Bon Secours Free Clinic, Helping Hands of North America, ICNA for North America, and Pathways Clinic. Through his involvement with these organizations, he demonstrates his dedication to making a positive impact on the well-being of individuals and communities.

Crediting his achievements to his unwavering dedication and diligence, Dr. Bhatti has earned the title of America's Top Doctor continuously from 2009 to 2023.

Beyond his professional pursuits, he enjoys a diverse array of hobbies, including basketball, racquetball, soccer, and chess.
