Enhancing the real estate journey with every client and closing, discover Kim's unique approach to crafting exceptional success for her clients and peers.

**New York City, New York Oct 23, 2023 ([IssueWire.com](https://www.issuewire.com))** - Meet Kim, a licensed REALTOR® and CEO of Sion Real Estate Co. brokered by eXp Realty. Kim takes immense pride in operating two offices in Pocatello and Idaho Falls, located in Southeast Idaho. She and her team of expert agents cover a vast region in the Great Gem State, encompassing six different counties and growing!

It has been a foundational belief of hers that when you put people first, the rest will follow. This unwavering commitment to excellence has been a cornerstone of her nearly decade-long career in real estate and has consistently earned her nothing less than a continuous stream of 5-star reviews. Kim achieves an annual ICON status within her brokerage while maintaining top production volume alongside her fellow agents. Among her accolades, she has also been nationally recognized by her previous broker as a 'Top Service Provider' 3 years running. Having successfully completed hundreds of transactions, it's no surprise that she's capturing the interest of dozens of new clients yearly as well as her fellow agents within the industry.

Kim is an influential figure in the real estate community, esteemed for her leadership role as a Certified Mentor and Coach. Her methodically crafted courses encompass essential, often overlooked skills which she believes will only enhance the industry as a whole.

*She says, "There are incredible people looking to break into the real estate industry that sadly, miss their shot because there isn't any real education for agents once they become licensed. I plan to change that."*

She continues to increase her impact with the launch of her long-awaited project "The Honest Agent Podcast," scheduled to release November 2023.

Kim's reputation among her clients and peers has firmly established her as one of the area's top-tier agents. Her extensive knowledge and years in the industry only elevates the experience of those she serves. Don't navigate the complex world of real estate on your own. As Kim often reminds her clients, "Whether you're moving in or moving on, she'll be there to move you forward."
