

## Megan Beth Wollman-Rosenwald, MD, Family Physician

Get to know Family Physician Dr. Megan Beth Wollman-Rosenwald, who serves patients throughout the state of Maryland.

**New York City, New York Oct 5, 2023 ([Issuewire.com](https://www.issuewire.com))** - A highly esteemed family practitioner, Dr. Wollman-Rosenwald is dedicated to providing comprehensive healthcare services to the community of Maryland. Her practice extends far beyond diagnosing and treating illnesses; it encompasses a holistic approach to health, with a strong emphasis on preventive care through routine checkups.

Throughout her academic career, the doctor earned her Bachelor's Degree in Biology from the University of Maryland College Park, a foundational step that prepared her for a remarkable medical career. Her journey continued at the prestigious University of Maryland School of Medicine, where she honed her medical expertise, laying the groundwork for her future as a compassionate and dedicated physician.

Upon completing her medical degree, Dr. Wollman-Rosenwald pursued her residency in Family Medicine at Brown University. This intensive training provided her with the skills and knowledge needed to offer comprehensive healthcare to individuals of all ages, from pediatrics to geriatrics.

As a testament to her success, the doctor is board-certified in family medicine by the American Board of Family Medicine (ABFM). The ABFM is a non-profit, independent medical association of American physicians who practice family medicine and its sub-specialties.

Among her other roles, Dr. Wollman-Rosenwald's affiliations with prominent healthcare institutions further underscore her commitment to providing top-tier medical care. She is affiliated with Shady Grove Adventist Hospital and Family HealthCare, collaborating with esteemed medical professionals to ensure her patients receive the best possible care.

Furthermore, her contributions to the field of medicine have not gone unnoticed. She has been recognized as a "Top Doctor" by Washingtonian Magazine, a testament to her expertise and her unwavering commitment to patient care. Her accolades underscore her status as a trusted healthcare provider in her community.

Family medicine is a medical specialty devoted to comprehensive health care for people of all ages. The specialist is called a family physician or family doctor. A family physician is often the first person a patient sees when seeking healthcare services. They examine and treat patients with a wide range of conditions and refer those with serious ailments to a specialist or appropriate facility.
