New York City, New York Oct 25, 2023 ([IssueWire.com](https://www.IssueWire.com)) - Susana is a respected realtor currently affiliated with Century 21 Thomson & Co. in Red Bank, New Jersey. She derives immense fulfillment from empowering her clients with the knowledge and awareness of the investment opportunities and equity they are entering into.

Placing her clients' needs as the top priority, Susana is known for her transparent and forthright communication style, which enables her to adapt to challenges with flexibility. She derives great satisfaction from utilizing her creativity to maximize the potential of her clients' investments and is consistently ready and accessible to offer her assistance.

According to Susana, the choice of the perfect realtor is a deeply personal decision for each individual. She places a strong emphasis on dependability and integrity, as these values form the foundation of her ability to provide attentive care to her clients. However, her ultimate aim is to offer an exceptional experience that exceeds expectations.

After completing her education at Berkeley College, Susana spent eleven years working in the fashion industry. However, in the early 2000s, she transitioned into the world of residential and commercial property investment. Susana's innate ability to provide top-notch service and surpass expectations has been honed over her extensive twenty-plus-year career in both domestic and international real estate. Additionally, her eleven-year tenure in domestic and international business has equipped her with the skills and knowledge necessary to confidently guide her clients through their real estate decisions.

It was in 2021 that Susana realized her aspiration of becoming a realtor, solidifying her commitment to making her clients' journey seamless, positive, and unforgettable.

Among her professional affiliations, she holds designations as a Military Relocation Professional (MRP), a Seller Representative Specialist (SRS), and an Accredited Buyer's Representative (ABR).

Beyond the realm of real estate, Susana is an accomplished author, having written two books: "The Complete Guide to Buying a Home" and "A Secret You Can't Afford to Miss".

A firm believer in serving and inspiring the community, Susana is an ambassador volunteer, chairing fundraisers statewide, working with non-profit organizations to help advance the community and children, and volunteering with the New Jersey Blood Services.
