Get to know General Practitioner Dr. Ubaldo Miranda, who serves patients throughout the State of Florida.

New York City, New York Oct 6, 2023 ([Issuewire.com](https://www.issuewire.com)) - As a leader in Central and Southern Florida, Dr. Miranda advocates for his patients and believes that everyone deserves access to quality healthcare. He has held various significant roles in the medical field, showcasing an impressive track record of leadership and expertise.

Presently, Dr. Miranda is the Owner and Operator of Nuva Wellness & Spa and Ubaldo A Miranda MD PA, a luxurious destination in Kissimmee and Miami, Florida that offers a comprehensive range of professional aesthetic procedures. He utilizes the Direct Primary Care model, believing that spending time and giving individualized attention to each patient is the key to keeping them healthy and avoiding unnecessary visits to a specialist or a hospital.

At NuVA Wellness & Spa We perform cosmetic laser treatments to improve the youthfulness of the face and body, as well as Accent Prime body contouring and laser vaginal rejuvenation and Erectile Dysfunction amount other treatments, we strive to deliver exceptional patient care, and skills and knowledge to offer patients knowledge on how to take care of themselves, with aesthetics, wellness and concierge medicine.

In his role as Laboratory Medical Director at CLINICAL BIO SOLUTIONS LABORATORY, Dr. Miranda assumes responsibility for the overall operation and administration of the laboratory. This includes tasks such as recruiting competent personnel, managing equipment, ensuring safety, establishing laboratory policies, implementing quality assurance measures, overseeing all testing procedures (including proficiency testing), and generating test reports. He also performs the roles of technical consultant, technical supervisor, clinical consultant, general supervisor, and testing personnel, with the ability to delegate some duties to qualified individuals when necessary. Dr. Miranda ensures that delegated duties are executed correctly and remain accessible for onsite, telephone, or electronic consultations. He maintains a commitment to delivering quality services, creating a safe working environment, providing approved procedures to staff, and employing an adequate number of employees with the appropriate education and training.

The founders of Care Labs 4 Less, an online platform for laboratories, Dr. Ubaldo Miranda with years of experience in the healthcare industry, and with a goal: to close the Spaces come in high-quality healthcare and the hard work of people who cannot afford care, due to uninsured, high deductibles, or multiple copays Creating a platform with affordable laboratory cost throughout the 50 states including PR and Virgin Islands

He works hand in hand with the communities to meet their needs. Creating solutions and offering convenient, safe, and high quality laboratory services at an affordable price.

The Online portal allows members to take an active role in monitoring their health and well-being. Consumers can now have access to laboratory services that can focus on providing prevention and early detection of disease while taking an active role in promoting a healthier lifestyle.

At Care Labs 4 Less we feel like ambassadors for the million people who are uninsured, who have high deductibles, and who are beneficiaries of their own payments, care and participation are required to provide low-cost solutions for all.

As the founder of ALL MEDICAL SOLUTIONS INC, Dr. Miranda established a non-profit organization aimed at providing affordable access to healthcare services for communities in need. He efficiently organizes and prioritizes assistance in disaster-stricken areas. Among the critical services provided by this organization, Dr. Miranda focuses on offering cost-effective laboratory services, prescription services (Rx), and telemedicine. His dedication extends to collaborating with Florida government officials, Puerto Rico nonprofits, and other US-based organizations to provide aid to Puerto Rican communities affected by recent earthquakes and those who have relocated to the United States.

His involvement with “from SCIENCE to PHARMA (FSTP)” as a Board Certified MSL (Medical Science

Liaison) training candidate demonstrates his commitment to medical affairs and MSL responsibilities, both pre and post-FDA regulatory approval. Dr. Miranda actively engages with external Key Opinion Leaders (KOLs) to shape medical strategies for internal stakeholders. He also collaborates with internal stakeholders and advisory boards. His expertise spans product lifecycle management and the roles of MSLs in drug pipeline and clinical trials, as well as marketed products (both off-label and on-label). Additionally, he is well-versed in clinical trials, KOL profiling, compliance, on/off-label discussions, and the Sunshine Act.

In regards to his educational background, Dr. Miranda earned an Associate of Arts Degree in Psychology from Ana G. Méndez University System USA in 1988. His dedication to learning and strong performance is evident with a grade of 4.

Subsequently, in 2008, he pursued a Bachelor's Degree in Medical/Clinical Assistant at Miami Dade College, where he excelled with a grade of 3.89. During this time, he actively engaged in the Physician Assistant program.

Continuing his pursuit of knowledge, Dr. Miranda enrolled at the University of Science Art and Technology, where he earned his Medical Degree in 2015, maintaining a commendable grade of 3.6.

Following this, he ventured into the field of Biomedical Engineering, earning a Doctor of Philosophy Degree from Einstein Medical Institute in 2019. During his doctoral journey, he immersed himself in Biomedical Science, specializing in Biophotonics and Molecular Cell Therapy Simulation, Design, and Testing Apparatus.

A dedicated medical doctor at Vega Medical Center since January 2016, Dr. Miranda's role encompasses a wide range of responsibilities, including providing medical care in various settings such as office consultations, nursing homes, assisted living facilities, home visits during the COVID-19 pandemic, and telemedicine services. He is committed to delivering high-quality, cost-effective medical care, specializing in family and geriatrics patients.

Among his professional affiliations, Dr. Miranda is an active member of the American College of Physicians, the American College of Obstetricians and Gynecologists, Develop Innovate Advance, the Florida Medical Association, the American Association of Bioanalysts, and the American Association of Aesthetic Medicine and Surgery.
