

Deepankaj Poonia: A Rising Star Shines Bright in Modeling and Films

Pilani town boy Luminary's Evolution: Modeling, Acting, and Now, Directing films and web series

Mumbai, Maharashtra Nov 12, 2023 ([IssueWire.com](https://www.issuewire.com)) - A new talent is making waves in the entertainment industry, and his name is Deepankaj Poonia. Born on August 22, 1998, into Jaat family in Rajgarh (sadulpur), and raised in Pilani, Rajasthan.

Deepankaj started as a model, impressing people with his charm and talent. He worked with big brands and did photoshoots that showed off his skills in front of the camera.

Deepankaj's modeling journey includes working with famous brands. His pictures not only show how good he looks but also how well he can adapt to different types of photoshoots.

More than just modeling, Deepankaj is now stepping into the entertainment world. His big break came with the Marathi movie "Ole Aale," directed by Vipul Mehta and featuring Nana Patekar. The movie is set to release on January 5, 2024. Deepankaj had a memorable 2-minute role, starting his journey on the big screen. Now, he wants to tell stories through films and web series, exploring the world of storytelling.

As Deepankaj's journey continues, people are excited to see what he does next. From modeling to working in films and web series, he's ready to show his talent in Films and web series.

Deepankaj gives credit to his parents and superintendent Uncle Ashwini Mahla, Anil Mahla (Cobra commando in crpf), Mannider Rana(superintendent of GST & CENTRAL EXCISE), and his friends for their unwavering support. Their encouragement has played a big role in his journey and achievements.

About Deepankaj Poonia:
