

Deeptech Startup Dista Wins Nasscom Emerge 50 Award 2023

Dista wins the prestigious Nasscom Emerge 50 Award 2023 for its contribution in the deeptech space.

Pune, Maharashtra Nov 22, 2023 ([IssueWire.com](https://www.IssueWire.com)) - [Dista](#), an AI-enabled location intelligence platform has been selected as one of the winners at the Nasscom Emerge 50 Awards 2023. The deeptech SaaS startup was honored at the Nasscom Future Forge 2023 event in Bengaluru.

The award recognizes Indian tech start-ups who have showcased breakthrough development in the deeptech space for pushing the boundaries of technology to solve global challenges.

Dista was handpicked from nearly 750 submissions based on several parameters, including financials, growth, market and product differentiation, market size, and usage of advanced technology.

[Shishir Gokhale](#), CEO and Co-founder, Dista said, " I am happy and honored to receive the prestigious award from Nasscom alongside some of the top innovative startups. The recognition further validates the impact of our AI-powered location intelligence product suite across multiple industry verticals. We remain steadfast in our mission of applying location intelligence to enterprises."

Nasscom represents the voice of the \$247 billion technology industry in India. The association has been championing large and small businesses in their growth journey.

Dista has been ranked in Forbes India's list of [Top 200 Companies at DGEMS 2023](#). The recognition honors enterprises redefining boundaries and setting new standards in the international business landscape.
