

## **Music Maverick JU\$t Makes Waves on TikTok and Spotify**

The rising music producer is breaking conventional music standards of track release, bringing a flavor of music platform "SoundCloud" to Spotify, Apple Music, TikTok and more.

**Denver, Colorado Nov 16, 2023 ([IssueWire.com](https://www.IssueWire.com))** - Introducing **Blake Huhn** (born March 6, 2005), better known by his stage name **JU\$t**, a dynamic and innovative music producer, remixer, and cover artist from Denver, Colorado. JU\$t has quickly made a name for himself in the indie music industry with his unique approach to music creation, inspired by artists like mikeeysmind, FrankJavCee, noturgf, and scizzie. JU\$t lives by his motto, "I just create music, if I like it, I release it," a philosophy that has resonated with millions of listeners worldwide.

With over 10 million streams across various streaming platforms, JU\$t's music has captivated a global audience. His remarkable achievement of reaching the Top 50 Viral on Spotify and Top 10 Viral on TikTok in November 2023 is a testament to his growing influence and popularity in the production sphere. JU\$t's production process and willingness to try things that most wouldn't from fear of being "too different" has set him apart from his contemporaries. JU\$t's creative freedom is evident in every track he produces, whether it's a remix, a cover, or an original composition.

Not only does he independently release music, but his engaging presence on social media platforms like TikTok and Instagram has helped him grow from the popularity of his tracks. JU\$t's interactive and approachable style has endeared him to fans, making him not just an artist to listen to but one to watch and follow.

For the latest updates on JU\$t's music and projects, follow him on Instagram and TikTok.
