

Orlando G. Florete Jr., MD a Pain Management Specialist with ORLES Pain Management & Regenerative Medicine

Get to know Pain Management Specialist Dr. Orlando G. Florete Jr., who serves patients in Florida.

New York City, New York Nov 7, 2023 ([Issuewire.com](https://www.Issuewire.com)) - Dr. Florete Jr. is a remarkable pain

management expert with nearly two decades of expertise in various areas of anesthesiology. He currently holds the esteemed position of Medical Director at ORLES Pain Management & Regenerative Medicine, located in Jacksonville, Florida.

Seeing the whole patient, Dr. Florete Jr. strives to help them understand their disease and provides the most thorough approach to managing pain. His professional affiliations encompass renowned medical institutions, including Ascension St. Vincent's Riverside Hospital, Ascension St. Vincent's Southside Hospital, Baptist Medical Center Jacksonville, and Baptist Medical Center South.

A graduate of the Cebu Institute of Medicine in the Philippines, Dr. Florete Jr. earned his Medical Degree in 1981. He continued to explore his passion for medicine with an internship, residency, and fellowship in cardiology at the University of the Philippines. He then advanced his training with both a fellowship in critical care medicine and a residency in anesthesiology at the University of Florida.

Dedicated to clinical excellence, the doctor is board-certified in anesthesiology and pain management by the American Board of Anesthesiology (ABA). Since 1938, the ABA has defined practice standards that instill confidence in the knowledge and skills of board-certified anesthesiologists to provide high-quality patient care.

Actively involved in his professional community, Dr. Florete Jr. maintains memberships in a variety of local, state, and national organizations, including the American Academy of Pain Medicine, the American Society of Interventional Pain Physicians, the Florida Medical Association, and the Duval County Medical Society. Moreover, he is a lifetime member of the Winthrop Stearns Fellows and Scholars Association.

Pain management is a branch of medicine employing an interdisciplinary approach to easing the suffering and improving the quality of life of those living with chronic pain. A pain management specialist is a doctor who specializes in pain medicine, focusing on the evaluation, treatment, and prevention of pain.

An internationally renowned speaker, Dr. Florete Jr. is recognized for his expertise in treatment algorithms for pain management. His influence extends to both national and international platforms, and he has authored a multitude of book chapters, journal articles, teaching materials, and abstracts in his field.

Beyond his professional achievements, Dr. Florete Jr. demonstrates a consistent commitment to philanthropy by supporting various Catholic charities and providing assistance to those in need.

His career has been marked by numerous accolades, including the Community Service Award from the University of Florida College of Medicine, the esteemed Winthrop Stearns Scholarship Award, and the Patients' Choice Award, affirming his dedication to the medical field.

In his leisure time, Dr. Florete Jr. indulges in a range of activities that bring him joy. Whether it's boating on his yacht, swimming, running, exploring new destinations through travel, or immersing himself in the world of literature, he finds contentment in diverse interests. Hawaii holds a special place in his heart as his preferred vacation destination, and the Journal of the American Medical Association (JAMA) Pain Medicine is his favored professional publication. Furthermore, he is fluent in both English and Tagalog, showcasing his linguistic versatility.
