STAR

RITA GIORDANO

Wilmington, Delaware Nov 17, 2023 ([IssueWire.com](https://www.issuewire.com)) - The conflict in Israel, deeply rooted in historical and political tensions, holds profound biblical significance for many. It's the land where Abraham's covenant was established, and where pivotal events in the Old Testament unfolded. The modern struggle reflects an enduring connection between the people, the land, and their faith.

Rita Giordano delves deep into the heart of a nation with a divine mandate in her *Destiny's Star*. This engaging work explores the sacred significance of Israel and its enduring role in a world filled with uncertainty.

Giordano's narrative brings to light the challenges facing Israel today, as some believe in the idea of breaking up and giving away the nation. She asserts that Israel is not just a geopolitical entity but a divine creation, with a mandate from God Himself. According to her, the very borders of the country were divinely ordained, and the Holy Bible serves as a testimony to God's intentions for Israel's future.

The book navigates through the pages of the Holy Bible, revealing God's plan for Israel's destiny, including the prophecy of Jesus ruling and reigning in that sacred land, with Jerusalem as the capital of the world. Giordano anticipates extraordinary events in Israel, fulfilling the prophecies within God's word.

In a recent radio interview with Emmy award-winning author and broadcaster, Kate Delaney, Giordano dove deeper into her narrative and provided answers to questions about the significance of Israel's mandate.
