New York City, New York Nov 16, 2023 ([Issuewire.com](https://www.issuewire.com)) - A skilled chiropractor, Dr. Kunz specializes in alleviating pain, stiffness, stress, and discomfort at Evolve Chiropractic, based in Freeport, Illinois.

The doctors at Evolve Chiropractic are pioneering the most effective techniques for modern spine health

and holistic wellness for patients in Northern Illinois. The team uses cutting-edge equipment and evidence-based care to achieve long-lasting pain relief and whole-body health.

A graduate of the National University of Health Sciences, Dr. Kunz demonstrated his commitment to education and expertise in the field, serving as an Instructor of Anatomy for a notable four-year period.

Shortly after beginning his practice in Freeport, Dr. Kunz made significant strides in the community, becoming the recipient of the esteemed Freeport, Illinois Chiropractor of the Year Award in 2015. His dedication, coupled with his advanced knowledge and commitment to patient care, has established him as a prominent figure in the field, known for his innovative and effective approach to chiropractic care.

Chiropractic is a form of alternative medicine that mainly deals with the diagnosis and treatment of mechanical disorders of the musculoskeletal system, especially the spine. A chiropractor uses spinal adjustments, manipulation, and other techniques to manage patients' health concerns, including neck pain, back pain, headaches, vertigo, and a long list of other ailments and conditions. They aim to improve patients' functionality and quality of life by properly aligning the body's musculoskeletal structure and enabling the body to heal itself naturally, without the use of medication or surgery.

Happily married with five children, Dr. Kunz enjoys the many unique things about the Freeport area – including local sports, restaurants, and entertainment.
