Sainte Cellier Unveils Neela Vermeire Creations: A Symphony of Scents Celebrating India's Rich Tapestry

London, United Kingdom Nov 1, 2023 ([IssueWire.com](https://www.issuewire.com)) - Today, Sainte Cellier is delighted to unveil a masterfully curated collection from [Neela Vermeire Creations](https://www.neelavermeire.com), evoking the vibrant heritage and diverse tapestry of India. Since its inception in 2012, Neela Vermeire Creations has enthralled scent enthusiasts with its poetic representation of Indian tales, history, and landscapes.

Neela Vermeire, based in the romantic city of Paris, marries her experiences as a solicitor and an art agent to bring forth a balanced concoction of rigor and artistic liberty. This combination seamlessly manifests in her perfume creations, revealing stories that dance between factual history and evocative emotion.

The collaboration between Neela and the celebrated Master Perfumer Bertrand Duchaufour is nothing short of alchemy. Duchaufour, renowned for capturing the very essence of places in his fragrances, complements Neela's vision, translating it into scents that whisk one away to the heart of India. His craft, enriched by premium materials, perfectly paints India's diverse eras and moods in this collection.

Neela Vermeire Creations has always strived for authenticity. The inspirations are not merely surface-level nods to Indian culture. Instead, they delve deep into India's heart, exploring its vast historical canvas, geographical wonders, and profound faiths. Each fragrance is a storyteller, sharing tales of the Mughal era, the spiritual Vedic period, the serenity of Udaipur's Lake Pichola, the allure of Bollywood, and more.

Furthermore, the aesthetics of the flacons, designed by the iconic Pierre Dinard, are a treat for the eyes. Their art deco elegance not only houses fragrant treasures but also adds a touch of luxury to any collection.

For those wishing to embark on this olfactory journey, Sainte Cellier presents the Neela Vermeire Créations Discovery Set. This luxuriously packaged set houses seven eau de parfum fragrances: Trayee, Bombay Bling, Ashoka, Pichola, Rahele, Mohur, and an individual sample of Niral, each narrating its own unique tale. As a special gesture, each set comes with a 10% discount code, inviting enthusiasts to find their signature scent from Neela Vermeire Créations.

Sainte Cellier invites everyone to discover the grandeur and enchantment of Neela's collection. Each fragrance, infused with emotion and memories, promises to be a dazzling portrait of India.
