Tampa, Florida Nov 22, 2023 ([Issuewire.com](https://www.issuewire.com)) - [The AC Therapist](https://www.theactherapist.com), a leading HVAC contractor in the Tampa Bay area, is proud to announce its comprehensive range of air conditioning and heating services tailored for residential and light commercial needs. Specializing in AC repair, installation, and maintenance, The AC Therapist is dedicated to ensuring optimal indoor comfort and air quality for its clients.

"Our mission is to provide reliable, efficient, and affordable HVAC solutions," said Richard Morales, Owner, of The AC Therapist. "We understand the importance of a well-functioning air conditioning system, especially in the Florida heat. That's why we offer a wide array of services, from mini-split installations to smart thermostat integrations and much more."

The AC Therapist's services include:

- [AC Repair](#) and [Installation](#)
- Mini Split and Multizone Mini Split Installation
- Smart Thermostat and HVAC Zoning Solutions
- Heating Services, including Furnaces and Heat Pumps
- [Air Quality Improvements](#) with UV Light Installation and Duct Sanitation
- [Comprehensive Ductwork Services](#) and Dryer Vent Cleaning
- Attic Insulation for Enhanced Energy Efficiency

In addition to these services, The AC Therapist proudly introduces its Therapy Maintenance Plans, designed to provide ongoing care and cost savings. Starting at just \$14.99, these plans include options such as annual maintenance visits, discounts on services, duct sanitation, UV light installation, and year-round filter provision.

"The Therapy Maintenance Plans are a testament to our commitment to long-term client relationships," added Richard Morales. "We believe in not just fixing immediate problems but in maintaining the health of HVAC systems for years to come."

In addition to the comprehensive range of services, The AC Therapist is excited to announce a special promotion for its customers: \$89 AC Tune-Ups. This offer is designed to ensure that air conditioning systems are in peak condition, especially as the warmer months approach. "We believe in proactive care for HVAC systems. Our \$89 tune-up service is an affordable way for our customers to maintain their systems, prevent future breakdowns, and ensure efficient operation," said Richard Morales. This tune-up includes a thorough inspection and servicing of AC units, ensuring they are clean, efficient, and ready to provide maximum comfort during the Florida heat.
