

## The Curtain Closes with Flying Colors for the Zhejiang Service Trade Exhibition<sup>?</sup>Japan<sup>?</sup>2023

**Tokyo, Japan Nov 21, 2023 ([IssueWire.com](https://www.issuewire.com))** - TOKYO. 15 November. October 25th to 27th saw the closure to what was a stellar execution by the Department of Commerce of Zhejiang Province with the Zhejiang Service Trade Exhibition<sup>?</sup>Japan<sup>?</sup>2023 in Tokyo. The expo featured eight Zhejiang companies, including Hangzhou Century Co., Ltd., and covered such fields as blockchain, the Internet of Things, smart businesses, intelligent healthcare, and smart cities, showcasing these companies' development status quo and technological implementation capabilities in the AI field.

The endless stream of professional merchants in and out of the Expo brought the exhibitors tremendous awe. They expressed that the gains from the Expo have far exceeded their expectations and offered their willingness to take part in the upcoming iterations.

Zhejiang Service Trade Exhibition<sup>?</sup>Japan<sup>?</sup>2023 has fully revealed the effect of Zhejiang's vigorous digital economy promotion over the recent years, as manifested by not only the drastic increase in the industrial capabilities and technical benchmarks of cloud computing, big data, and AI but also the maturity and advancement of applications in related use cases. In the future, Zhejiang will continue to help companies expand the international market via field-specific international exhibitions, as well as contribute Zhejiang's wisdom and strength to the development of global digital trade.
