

'Uh Oh' By Livvy Lauren Takes Over The Internet

Livvy Lauren is winning hearts with her latest fiery music track 'Uh Oh'. The fans are awestruck by the power-pact performance and left excited for more.

canterbury, Nov 10, 2023 ([IssueWire.com](https://www.issuewire.com)) - Smooth lounge vibes set a fairly melodic scene before the magnificent singer **Livvy Lauren** delves into a breathlessly fast-paced outpouring of rap bars for an exceptionally recognizable music styling. The English Pop singer/songwriter delivers high-energy performances and hard-hitting lyrics that are heavily impacted by other similar artists such as Ella Henderson, Sam Smith, and Jorja Smith. From the age of four, she began vocal lessons, training in Classical, Pop, and Jazz, and later obtaining a degree in Musical Theatre. The brilliant artist's bold, honest, and empowering sound comes from a dedication to her craft and her ability to see music as therapy. Writing music allows her to **“get a clearer picture”** and she hopes that although she expresses her journey, the universal themes of love, power, and resilience throughout her lyrics, can provide inspiration and strength to those listening.

Additionally, she released her first three singles, **'50/50'**, **'Messin'** and **'Who You Are'** in 2022 after religiously developing her sound and craft throughout the pandemic. For now, she continues to write music, just as she has done all her life, and promises that her work will always reflect where she is at the time. Having already recorded at the legendary Metropolis Studios. Her unwavering determination to make a difference through music continues as the force to strive for her future sounds, hoping to leave an indelible mark on the world for years to come. **'Uh Oh'** introduces a different side of music to the traditional rock music industry.

However, **Livvy Lauren** has a distinctive and memorable sound to her music. Growing up, she found inspiration in R&B, Pop, and Dance genres, blending their sounds to create her style. From open and honest lyrics to crazy and catchy melodies, the profound singer's soundtrack **'Uh Oh'** promises to create an upbeat, fun, and powerful mood for those listening. Recently, she has had the opportunity to collaborate with renowned writers and producers and is gearing up to make a splash in the world of dance music in the summer of 2024.
