

NSAV Announces Launch of Centralized Cryptocurrency Exchange, NSAVx

NSAV

London, United Kingdom Dec 14, 2023 ([IssueWire.com](https://www.issuewire.com)) - Net Savings Link, Inc. (OTC: NSAV), a cryptocurrency, blockchain, and digital asset technology company, announced today that the Company has launched its Centralized Cryptocurrency Exchange (CEX), NSAVx <https://nsavx.com/>. The acquisition of the CEX was completed last week and rebranded to operate under the NSAV banner today.

This exciting new platform is the Company's flagship blockchain business in the growing space of curated Web3 assets and secure digital wallets and rewards.

The NSAVx platform will continue to provide the latest and best security features and enhanced safety protocols for storage. The rewards platform will also utilize a marketing and advertising revenue model for third-party Web3 projects and the general support of the blockchain industry.

NSAV released the following statement, “We are thrilled to announce the launch of our long-awaited CEX, NSAVx and we would like to thank all of our shareholders for their patience during this process.”

The Company went on to state, “The addition of NSAVx will allow the Company to consolidate and potentially monetize its current minority holdings in the industry. The completion of this acquisition also marks a change in company strategy to focus on wholly-owned proprietary digital technologies and the coming growth expected across Web3, the IOT, and the tokenization of traditional valuable assets.”

NSAV's vision is the establishment of a fully integrated technology company, that provides turnkey technological solutions to the cryptocurrency, blockchain, and digital asset industries. Over time, the Company plans to provide a wide range of services such as software solutions, e-commerce, financial services, advisory services, and information technology.
