

Artist KAY SOUL Invites You To Embrace "HEAVY LOVE"

Atlanta, Georgia Jan 9, 2024 (Issuewire.com) - One Nation Under God Records is proud to announce the release of recording artist Kay Soul's new EP, **Heavy Love**. The four-track EP was written by Kay Soul and produced by Anthony Smith and Byron "B.J." Woodward. **Heavy Love** was recorded, mixed, and mastered at Miller Street Studios in Chicago. The expected drop date is Friday, February 9, 2024.

Heavy Love is a throwback to that 90s R&B feel with a contemporary twist. Its harmonies are layered

over atmospheric tracks paired with deep lyrical content and high vibrations. Describing the EP, Kay said, **Heavy Love** is about mature and healing love. Picking up where “Connections” left off, “Heavy Love” examines how we love ourselves and show up in our relationships with others. Even when we are strongly connected there will be curves, but we can learn to love better and get to loving ourselves and each other the way that God intended.” The EP is completed by the tracks "Curvy Kind of Love", "Better Love", and "Corinthians Love".

Kay Soul's unique sound and powerful messages have earned her recognition in the music industry. Her soulful voice and authentic lyrics have garnered attention from both fans and critics alike. Kay Soul's previous EP, **Connections**, released in 2022, was met with critical acclaim, and lauded as "passionate and chilling" by Buzz Music (September 2022). Regarding the track “Reconnection” blog Music’s Metaphor stated, “Her honey-sweet vocals and heartfelt lyrics soothes and calms the souls of anyone who has experienced tough, long nights with anxiety and depression.” (October 2022) ArtistRack raved, “The songs on the EP are fun and entertaining, but also conscious and empowering, bridging the gaps between mass appeal and elevated song form in a very natural way.” (August 2022).

In addition to the release of **Heavy Love**, Kay Soul has dropped a line of exclusive apparel in collaboration with C Custom Wear. “The Heavy Love Collection” comes in 4 bold colors and 4 classic styles, and features lyrics from the EP. Presale orders are available now via her website.

Heavy Love is a preview to Kay Soul’s forthcoming full length album “Heavy Set” expected to release later this year.

Heavy Love will be streaming on the leading digital platforms. For more information on Kay Soul, visit her website at www.kaysoulmusic.com or email onenationundergodinc@gmail.com.
