With a passion for the outdoors, nurtured through personal and professional experiences, Dylan is eager to match clients with their dream properties.

New York City, New York Jan 22, 2024 (Issuewire.com) - Dylan is a licensed real estate agent at

Whitetail Properties Real Estate, LLC, situated in Pittsfield, Illinois.

Leveraging his expertise as a salesperson and land specialist, Dylan holds licenses in both Iowa and Missouri, showcasing the breadth of his professional reach. As a valued member of the esteemed Gabe Adair Land Specialist Team, he assumes the role of a dedicated buyer's agent, prioritizing the fulfillment of his clients' needs and the realization of their land-related objectives.

Born and raised in Eastern Iowa, Dylan spent his childhood outdoors, hunting deer and turkeys and doing lots of fishing in his grandma's farm pond. In 2015, his family purchased a farm in Decatur County, which provided him with the opportunity to oversee and engage in the management and hunting activities on the family property. This early exposure instilled in him a profound understanding of hunting and land management, a knowledge base that now informs and guides both sellers and buyers seeking their own piece of land.

In 2018, Dylan embarked on a video production internship with Midwest Whitetail, dedicating numerous hours to outdoor activities, whether it be farm work or perched in a tree stand, filming hunts. This enriching experience significantly broadened his expertise in the outdoors, equipping him with valuable insights.

Having joined Whitetail Properties, Dylan is afforded the opportunity to leverage his accumulated knowledge and experiences to assist clients in achieving their land-related goals. His strong dedication to hard work is manifested in meticulous follow-ups with past clients and strategic networking, underscoring his commitment to cultivating enduring connections in the industry and ensuring successful outcomes.

Beyond his professional pursuits, Dylan's passion for the outdoors takes center stage, as he immerses himself in the beauty and wonders of nature during his leisure time.
