

## Midlands Solar Soars: The Eco Roof and Wall Company Crowned Best Installer!

**East Midlands, United Kingdom Jan 10, 2024 ([Issuewire.com](https://www.issuewire.com))** - The Eco Roof & Wall Company Crowned Best Solar Installer for the Midlands by Eco Experts

The Eco Roof & Wall Company, a leading provider of sustainable energy solutions in the Midlands, is thrilled to announce it has been named Best Solar Installer for the Midlands by Eco Experts, a renowned independent platform for renewable energy information. This prestigious award recognizes the company's unwavering commitment to excellence in solar panel installations, customer service, and environmental impact.

"This accolade is a testament to the dedication and expertise of our team," says Anthony Harrison, Managing Director, at The Eco Roof & Wall Company. "We are passionate about empowering homeowners and businesses to embrace renewable energy and contribute to a greener future. Being recognized as the best solar installer in the Midlands fills us with immense pride and reinforces our commitment to delivering the highest quality solutions and exceptional service."

Eco Experts conducted a rigorous evaluation process, assessing factors like customer reviews, installation quality, product offerings, and environmental practices. The Eco Roof & Wall Company stood out for its:

- **Unmatched Expertise:** The company boasts a team of certified and experienced solar installers who deliver meticulous and efficient installations.

- **Customer-Centric Approach:** The Eco Roof & Wall Company prioritizes personalized consultations, transparent pricing, and ongoing support throughout the entire solar journey.
- **High-Quality Products:** They utilize only the most reliable and efficient solar panels and equipment, ensuring long-term performance and value for their clients.
- **Commitment to Sustainability:** The company goes beyond solar, offering comprehensive solutions like air source heat pumps and external wall insulation, further reducing carbon footprints and promoting a holistic approach to sustainable living.

This prestigious award is a significant milestone for The Eco Roof & Wall Company, solidifying their position as a trusted leader in the Midlands' renewable energy landscape. With a renewed commitment to excellence and innovation, the company looks forward to continuing to empower communities and businesses on their journey towards a more sustainable future.
