

Susan Ebling, Recognized by BestAgents.us as a 2023 Top Agent

Your key to Lake of the Ozarks living, Susan is the guiding force that turns real estate aspirations into vibrant lakeside realities.

New York City, New York Jan 3, 2024 ([IssueWire.com](https://www.IssueWire.com)) - Susan is a highly experienced realtor at RE/MAX Lake of the Ozarks in Osage Beach, Missouri.

With a career spanning more than 25 years, Susan approaches her work in the industry with a profound passion. Her dedication to her clients is evident through her annual client appreciation party.

"I am committed to providing my clients and customers a higher standard of service than what is expected, with the utmost honesty, integrity, and professionalism. My goal is for my clients and customers to become my "raving fans" and refer all of their family and friends to me so I can be their realtor for life."

As a third-generation native and lifelong resident of the Lake of the Ozarks, Susan possesses a deep connection to the area and a comprehensive background in waterfront real estate. She has been serving the public all of her life with roots stemming from the hospitality industry at her family-owned and operated business: The Clown, Poop Deck & Topsider.

After graduating from Camdenton High School, Susan earned a Bachelor of Science Degree in Education at MSU in Springfield and briefly taught 3rd grade.

In the year 2000, she made the strategic decision to transition into real estate and joined Krantz & Associates, contributing a wealth of knowledge and experience to the team. As a member of the #1 Team at the premier real estate company in the Lake of the Ozarks, Susan is wholeheartedly devoted to delivering exceptional service to her clients, as attested by the numerous 5-star reviews on platforms such as Zillow and Google.

Her commitment is further underscored by her attainment of multiple professional designations, including ABR, CRS, GRI, CLHMS, RRS, RSPS, and the *extremely* hard to obtain: Elite Guild Luxury Home Sales expert - which less than 1% of all agents ever obtain in their career - enhancing her capacity to serve clients effectively.

Susan credits her achievements to diligent effort and active involvement on boards, within professional organizations, and within her community. She serves on many local professional boards, community organizations, and boards including the University of Missouri Extension Council for Camden County and Chairperson of the Osage Beach Planning and Zoning Commissioner (since 2006).

Moreover, Susan is an active member of the Missouri Association of Realtors Professional Standards Committee, the National Association of Realtors, the Real Estate Buyer's Agent Council, and the Women's Council of REALTORS.

Having fostered connections and built a robust network that has contributed to her success, Susan has earned accolades such as the RE/MAX Hall of Fame - 2019, and RE/MAX Chairmans Club - 2021 & 2022, as well as Top Selling Agent for RE/MAX Lake of the Ozarks - 2016, 2017, 2019, 2020, 2022, 2023, among others.

Personally, Susan lives with her beloved family in the heart of Osage Beach - which includes her daughter, Alexandra plus two stepsons, Tucker & Cotton; little Daisy, her furry child; and Jake, her husband.
