New Delhi, Delhi Feb 6, 2024 ([IssueWire.com](https://www.issuewire.com)) - [Times BPO](https://www.timesbpo.com) is excited to announce the launch of its franchise program, inviting passionate individuals across India to become Business Associates. This unique opportunity empowers you to launch your own BPO business, leveraging Times BPO's established expertise and proven track record.

Starting a business can be daunting, but with [Times BPO](https://www.timesbpo.com), the barriers are minimal. All you need is a 500 sq. ft. office, a team of 5 dedicated individuals, 5 computers, and a reliable internet connection. We provide comprehensive infrastructure, operational guidance, and access to an extensive portfolio of [BPO projects](#). This low-investment, franchise model removes the complexities of starting from scratch, allowing you to focus on growth and success.

If you open a [Times BPO](https://www.timesbpo.com) franchise, you will be working as an information center for startups and entrepreneurs who visit your place. You can provide them with valuable information about starting a new BPO call center. Once any startup buys any project from the franchisee, the franchise owner will get **50% of the total franchise consulting fee**. This is a great opportunity to not only start your own business but also help others start theirs.

With Times BPO's established expertise and proven track record, you can leverage our comprehensive infrastructure, operational guidance, and access to an extensive portfolio of BPO projects to launch your own BPO business. Our franchise model removes the complexities of starting from scratch, allowing you to focus on growth and success.

[Times BPO](#) provides complete hiring support to the franchisees. We understand that finding the right talent can be a challenge, especially for new businesses. Our team of experts will help you identify the right candidates, conduct interviews, and onboard new employees. We also provide complete training to all the employees hired by the franchisees. Our training programs are designed to equip your team with the necessary skills and knowledge to deliver high-quality services to your clients.

In addition to hiring and training support, Times BPO also supports the franchisees by sharing readymade inquiries. We understand that generating leads can be a time-consuming process. Our team will provide you with a steady stream of inquiries, allowing you to focus on closing deals and growing your business.

To further boost your business, Times BPO will create customized advertisement campaigns using different advertisement platforms so that more startups and entrepreneurs may visit the franchisees. Our marketing team will work with you to identify the right channels and create compelling campaigns that resonate with your target audience.

Our franchise program isn't just about individual empowerment; it's about igniting a nationwide job creation engine. Each new franchise translates into at least 5 new jobs, significantly contributing to India's growing employment market. This ripple effect strengthens local communities, boosts purchasing power, and fuels sustained economic development.

Times BPO understands the challenges faced by budding entrepreneurs. Our program offers a supportive environment where aspiring business leaders gain invaluable experience and mentorship. With access to established processes, cutting-edge technology, and a dedicated support team, you'll learn the ropes of running a successful BPO business, while building confidence and expertise.

Our franchise program paves the way for Times BPO's national expansion, establishing a robust network of partners across India. This wider reach allows us to tap into diverse talent pools, cater to a broader range of clients, and contribute to the growth of the BPO sector nationwide.

At Times BPO, we believe in shared success. As a franchise partner, you'll earn a generous 50% royalty and more on every BPO project you sell for Times BPO. This incentivizes you to actively market our services and grow your business, while directly impacting your bottom line.

Join the Times BPO Franchise Revolution: If you're driven by the entrepreneurial spirit, possess strong communication and management skills, and have a hunger for success, then Times BPO invites you to join our journey.
