

Zoombies.World Unveils Bonez: A Thrilling Free-to-Play PVP Strategy Card Game

London, Ontario Jan 23, 2024 ([Issuewire.com](https://www.issuewire.com)) - Zoombies.World, a leading innovator in online gaming, is excited to announce the release of their latest creation, "Bonez," a free-to-play browser-based real-time multiplayer PVP strategy card game. Bonez is all about racing your opponent to get as close as you can to a score of 21 without going over by using a dynamic combo of house cards and power cards. What sets Bonez apart is not just its strategic gameplay but also its integration with the ZOOM token, allowing players to import their cryptocurrency into the game for a unique and rewarding experience.

Key Features of Bonez:

- Each game is unique: You'll never play the same game twice!
- Two Currencies, Twice the Fun: Bonez can be played with Chipz - a currency you can get by bridging in your crypto ZOOM tokens or buying with a credit card; or Bonez - the social currency you get from friends.
- PvP Betting: Engage in thrilling Bonez and Chipz betting for high-stakes competition.
- Strategic Card Play: Strategically play House and Power Cards to outscore your opponents and climb the leaderboards.
- Customizable Power Deck: Craft your winning strategy by building up your Power Deck. Amp up your game by upgrading to Power Boost Cards with special abilities.
- Friendship Bonuses: Team up with friends who can gift you Bonez every day.
- Gameplay Emojis: Flaunt your style and taunt your opponents with a fun collection of in-game

emojis.

- Progressive Pots and Rewards: Contribute to the game treasury for exciting bonuses, progressive pots, and rewards.
- Spectator Mode with Emoji Reactions: Watch and react to your friends' Bonez games in real time with the ability to spectate matches. Express your excitement with emojis, adding an interactive twist to the spectator experience!
- Import your crypto ZOOM token to enhance your in-game capabilities.

"We're thrilled to introduce Bonez, a game that not only brings an unparalleled level of strategy and fun but also integrates the ZOOM token for a one-of-a-kind gaming experience," said Ryan Price, spokesperson for Zoombies.World. "By allowing players to import their ZOOM tokens, we're providing a bridge between the gaming and cryptocurrency worlds, offering an innovative way for players to leverage their crypto assets within the game."

Bonez is also set to launch in the coming months on Steam, providing players with a new platform to experience the excitement of strategy and card battles.
