**Lafayette, California Feb 20, 2024 ([Issuewire.com](http://Issuewire.com))** - An ancient artist and a modern medical practitioner in a collaboration you cannot expect to happen. During ancient history, specifically in the Renaissance period, several renowned artists' paintings, sculpting, dance, books, speeches, and other skills flourished into an era where their artistic works were valued highly by society and artists in the present time. In the field of medicine, many expert surgeon doctors are gifted with

hand-skilled techniques to help ease medical procedures during surgeries. Patients and even colleagues in the field seek the help of these renowned expert surgeons and seek miracles and healing with their help.

Dr. Maya Mitra Das captivates her readers in her book *Echoes of the Past*, and narrates the collaboration of the two renowned gentlemen in their generation. Niccolo and Rudy are the two gentlemen who we will delve into their lives, work, and recognition because of their works and practices. Moreover, why they cross paths because Rudy has discovered the life and works of Niccolo that seem to be similar to his life and works. A time travel from the past to the present. A 15th-century artist to the 20th-century medical surgeon.

For this year, the 2024 London Book Fair, in coordination with Authors Press, Dr. Maya Mitra Das will convene in this event and share her book, *Echoes of the Past*, with the audience this coming March 12 to 14, 2024 at Olympia, London.

“With the cool sea breeze softly caressing his cheeks as he lounged on the deck chair of the ship, Rudy closed the biography of Niccolo momentarily as he closed his eyes, remembering his own humble beginnings.”

— snippet, *Echoes of the Past*, Dr. Maya Mitra Das.

*Echoes of the Past* is a fictional biography encounter of two professionals in their respective fields. Niccolo is a sculptor artist known for his works during the 15th century. Rudy is a surgeon doctor known for his skilled hands during surgery, known for his successful surgeries in the present era, the 20th century.

Dr. Maya Mitra Das is a poet and writer who visualizes and bridges past and present professionals. Her literary works capture the creativity and literary expression that we find in the current trend.
