Get to know Advanced Practice Pharmacist Dr. Ethan T. Huynh, who serves patients in Los Angeles, California.

New York City, New York Feb 1, 2024 ([IssueWire.com](https://www.IssueWire.com)) - As the Chief Operating Officer at Alpha Plus Network Inc., Ethan Huynh is at the helm of the organization's intricate operations, steering the ship through day-to-day functions, clinical program development, compliance strategies, client and vendor relations, operational planning and delivery, and the intricate landscape of pharmacy benefit administrative services for APNI Health Inc.

In tandem with his role at APNI, Ethan assumes the position of Vice President of Clinical Operations at Sphinx Strategies, a distinguished consulting firm renowned for pioneering strategies in the specialty pharmacy domain. Ethan's extensive background in the healthcare industry proves instrumental in catalyzing the establishment of outstanding partnerships with innovators, physician groups, manufacturers, medical professionals, healthcare organizations, insurance providers, and other stakeholders. This collaborative synergy consistently produces solutions that seamlessly integrate a patient-centric approach with exceptional cost-effectiveness.

With over 20 years of diverse leadership roles in pharmacy across clinical and community care settings, Ethan has excelled in the domains of specialty pharmacy, infusion, and accreditation. His academic foundation includes a Doctor of Pharmacy (PharmD) from Albany College of Pharmacy in Albany, New York, and his professional credentials extend across multiple states. Ethan proudly holds an Advanced Practice Pharmacist (APh) license in California and carries the distinction of being a Board-Certified Geriatric Pharmacist (BCGP), Immunoglobulin Certified Pharmacist (IgCP) and Certified Pharmacy Benefits Specialist (CPBS).

Ethan's dedication to leadership transcends the confines of his primary roles, extending into multifaceted contributions across diverse boards and committees. He actively serves on prestigious entities such as the California Pharmacists Association, the San Gabriel Valley Pharmacists Association, the Leadership Institute for Development, Education, and Research, and the Immunoglobulin National Society. This engagement is not confined to professional spheres alone; Ethan's impact resonates in nonprofit community organizations and transcends borders through his participation in medical missions abroad. Here, he plays a pivotal role in imparting leadership development and mentorship, shaping the next generation of emerging leaders.

Outside the realm of healthcare, Ethan embraces entrepreneurship in the financial services industry, dedicated to team-building and empowering families to attain financial independence. His philanthropic endeavors reflect a profound commitment to driving positive change across various causes.
