**New Delhi, Delhi Feb 16, 2024 ([IssueWire.com](http://IssueWire.com))** - RDIAS is accredited with an A Grade by NAAC (National Assessment and Accreditation Council).

The institute is approved by AICTE (All India Council of Technical Education) and was established in

1996 under the aegis of Seth Pokhar Mal Education Society. RDIAS has come a long way as an institute of excellence with an aim to continue providing students with opportunities that fine-tune their academic journey and in a multifaceted way sensitize them towards being the leaders of a promising tomorrow. [Top BBA Colleges in Delhi](#) focus on imparting quality management knowledge and also prepare students to accomplish challenges & enable them to crystallize tomorrow's opportunities. The institute motivates its Faculty members to engage in research, corporate training, and consulting activities apart from doing regular classroom teaching. Faculty members have an international reputation as a result much of their teaching and research work is regularly assessed and accredited.

## **Training & Placement**

The Training & Placement Department provides exposure to students with various job & internship opportunities to attain their desired employment. The Department also accomplishes the milestone of strong collaboration and partnership with the various corporates & industries. They provide continuous counseling sessions to students along with a customized corporate training program. Institute is more of a learning institution than a mere teaching institution.

## **Job Fair**

Job Fair is an opportunity for students to interact with recruiters & get an opportunity to establish their careers in the corporate world. Job Fair provides a platform for students to interact face-to-face with recruiters and understand the job requirements carefully. This also gives students an understanding of how to present themselves professionally and a chance to practice their communication skills and build confidence.

## **Career & Internship Fair**

Career & Internship Fair events where students can expand their skills, boost their confidence, and learn networking skills for better future opportunities.

## **Industry Visit**

RDIAS follows a teaching pedagogy that accentuates the learning capabilities of students. One such Programme is Industry Visit which focuses on preparing students to learn about routine workings of a particular industry and understand its operational issues. The Programme also helps keep students abreast with the current management practices followed by such organizations and acquires traits that the industry demands from them. Industry visit enables the students to apply their classroom learning to a real-life situation while being mentored by a variety of industry experts.

## **Global Exposure**

In this era of globalization, Rukmini Devi Institute of Advanced Studies has taken the lead in developing international linkages and global networks in education. This [management college in Delhi](#) believes that international exposure leads to experiential and transformative learning.
