

## **Jeanette Mitchell, Recognized by BestAgents.us as a 2024 Top Agent**

Elevating luxury real estate worldwide, Jeanette embodies excellence, sophistication, unparalleled service, and passion in every transaction.

**New York City, New York Feb 27, 2024 ([IssueWire.com](https://www.issuewire.com))** - Jeanette is a global luxury sales agent affiliated with Coldwell Banker Realty - Potomac/Rockville Office in Maryland. Interacting with clients brings her profound fulfillment, and she specializes in facilitating transactions for both sellers and buyers.

With extensive experience spanning various facets of real estate, Jeanette possesses comprehensive knowledge of every county in Maryland. She takes pride in staying impeccably informed about the market's latest developments, ensuring her clients are equipped with essential insights to secure a home that aligns with their budget and preferences.

Furthermore, Jeanette firmly believes that exceptional service entails attentive listening to clients and promptly addressing their queries as they arise. She approaches her interactions with patience, never pressuring clients into transactions.

Recognizing that finding the perfect home or selling a property can be time-consuming, Jeanette commits to working alongside her clients for as long as necessary, treating each individual with the care and respect she would extend to her own family. Committed to maintaining a high standard of excellence, she prioritizes clear communication, adept negotiation, and unwavering availability to address any questions or concerns that may arise throughout the process.

Growing up in Gaithersburg, Maryland, Jeanette has been living in Montgomery County her entire life. She worked as a settlement officer straight out of high school and throughout her college years, graduating with a Bachelor of Arts Degree in English Language and Literature from the University of Maryland.

Progressing through the ranks from her career in title and settlements as a receptionist, Jeanette eventually ascended to the position of Vice President within the company. It was her marriage to a builder that ignited her passion for real estate, particularly in the realm of new construction homes, which she has been involved in for over 35 years.

Transitioning to full-time real estate in 2017, Jeanette currently holds active licenses in luxury real estate in Maryland and Washington D.C.

*"I enjoy educating first-time home buyers on how the process works. Every home that I help buy or sell is the start of a new chapter in a person's life, and to be a part of that is amazing! I love working in Maryland and DC because the people who live here are culturally diverse. My clients all have individual needs and a story that I love to hear. Knowing where they have been, and where they want to be, allows me to help them choose a home that truly works for them in every way."*

In affiliation with prestigious real estate associations, Jeanette is an active member of the National Association of Realtors (NAR), the Greater Capital Area Association of Realtors (GCAR), and the Maryland Association of Realtors (MAR).

Among her many achievements, she holds the Diamond Award, a testament to her exceptional performance at Coldwell Banker in 2023, close to her heart.

Outside of her professional endeavors, Jeanette loves to read mystery and historical novels, take walks, do puzzles, and play games on her phone. Her ultimate sanctuary is the beach, where she finds solace and tranquility.

A passionate animal lover, Jeanette shares her home with four beloved dogs and two Himalayan cats, as well as her loving husband, Marty. Her maternal instincts extend beyond her pets; she cherishes spending time with her oldest son, who resides in Florida and works at Disney. Despite her busy schedule, she makes every effort to visit him as frequently as her work commitments permit, cherishing moments of family connection.
