Laura's passion for real estate, coupled with her dedication to her community and family, sets her apart as an esteemed realtor.

**New York City, New York Feb 22, 2024 ([IssueWire.com](https://www.IssueWire.com))** - Laura Ebert is a dynamic force in the real estate industry, carving out her path of success in Overland Park, Kansas. Currently affiliated with Trusted Home Team | Real Broker LLC, her journey in real estate began in 2010 alongside her spouse.

Together, they ventured into house flipping, property management, and acquisitions, establishing a solid foundation for their thriving enterprise. But Laura's story doesn't start there.

Before diving into the world of real estate, she dedicated years to being a stay-at-home mother, nurturing her four children. Remarkably, she balanced her domestic responsibilities with maintaining a massage license she'd held for an impressive 25 years. Her ability to multitask and excel in diverse fields speaks volumes about her dedication and drive.

Now, as a part of Real Broker, Laura not only manages her own company but also serves as a Real Estate Coach, collaborating closely with industry expert Tom Ferri. Her expertise spans residential and commercial properties, offering clients a comprehensive range of services backed by her extensive knowledge and experience.

In regards to her educational background, she pursued accounting at Kansas Newman College, excelling academically while also taking on the role of a tutor during her sophomore years. In 2017, she obtained her broker's license, further solidifying her credentials and enabling her to provide top-notch assistance to her clients.

In 2022, Laura took a significant step forward by establishing her own team, marking a new chapter in her already illustrious career. But her impact extends beyond the confines of the real estate world. Actively involved in her community, she is a proud member of the Chamber of Commerce and plays a pivotal role in organizing the annual Oktoberfest, contributing to the vibrancy of her town.

Despite her busy schedule, Laura makes it a priority to visit her sisters in Colorado every year, indulging in her love for skiing and maintaining her connections with her roots.
