Get to know Internist Dr. Maninder Kohli, who serves patients in Hinsdale, Illinois.

**New York City, New York Feb 21, 2024 ([IssueWire.com](https://www.issuewire.com))** - Dr. Kohli is a board certified internist with over 25 years of experience in clinical care, teaching, and medical staff leadership. As the President of Suburban Primary Care in Hinsdale, Illinois, he oversees a well-established practice dedicated to adult patient care.

Suburban Primary Care boasts a team of board certified physicians and NP/PA who possess specialized training in conducting thorough health assessments. Their approach emphasizes disease prevention, health promotion, and the effective treatment of various conditions and ailments. Their services cater to adults, offering annual check-ups, timely disease detection, unscheduled “sick visits,” health and medication monitoring, preventive health screenings, and more.

In addition to delivering primary care, these physicians streamline patient care by collaborating with other medical specialists. This coordination ensures effective management of diagnostic challenges and addresses complex health concerns comprehensively.

Academically, Dr. Kohli graduated with his Medical Degree from Northwestern University Feinberg School of Medicine in 1993. He then went on to perform his residency in internal medicine at Northwestern Memorial Hospital from 1993 to 1996.

A Fellow of the American College of Physicians (FACP), Dr. Kohli is board certified in internal medicine by the American Board of Internal Medicine (ABIM). The ABIM is a physician-led, non-profit, independent evaluation organization driven by doctors who want to achieve higher standards for better care in a rapidly changing world.

Dr. Kohli’s focus spans preventative care and the management of hospitalized patients, ensuring continuity of care. His hospital affiliations extend to Advocate Good Samaritan Hospital, UChicago Medicine AdventHealth Hinsdale, UChicago Medicine AdventHealth La Grange, and Elmhurst Memorial Hospital.

Internal medicine is the medical specialty dealing with the prevention, diagnosis, and treatment of adult diseases. Physicians specializing in internal medicine are called internists. They manage and prevent common and complex diseases by providing comprehensive care and promoting overall well-being.

On a more personal note, Dr. Kohli is fluent in English, Hindi, and Punjabi.
