Get to know Orthodontist Dr. Mariah Pewarski, who serves patients in Scarsdale, New York.

**New York City, New York Feb 20, 2024 ([IssueWire.com](https://www.IssueWire.com))** - A trusted orthodontist, Dr. Pewarski tends to patients at SPD Orthodontics, a division of Summerfield Pediatric Dentistry & Oral Surgery in Scarsdale, New York. With a wealth of experience and a passion for her craft, she brings a unique blend of expertise and compassion to her practice.

What sets her apart is not just her technical proficiency but also her genuine connection with her young patients and their families. She understands that every child's dental needs are unique and takes pride in offering a personalized approach to treatment. Whether it's utilizing state-of-the-art 3D technology or employing innovative techniques like Invisalign clear aligners, she ensures that each child receives the best possible care tailored to their specific requirements.

Dr. Pewarski received her Bachelors from Harvard University where she played on both the field hockey and lacrosse teams during her time there. She began to lay the groundwork for a distinguished career when she went on to obtain her Doctor of Dental Medicine degree from the University of Pennsylvania. Throughout her academic pursuits, she earned multiple clinical accolades, demonstrating her commitment to excellence in dentistry for both medically complex cases and community health initiatives.

Her pursuit of mastery led her to an intensive three-year residency in orthodontics at the esteemed Albert Einstein College of Medicine/Montefiore Medical Center in New York. Here, she honed her skills and knowledge, emerging as board-certified in orthodontics and dentofacial orthopedics ready to make a difference in her patients' lives.

On a professional level, Dr. Pewarski remains actively engaged in the dental community, maintaining memberships with prestigious associations such as the American Association of Orthodontics, the American Dental Association, and the New York Dental Association.

Orthodontics is a specialty of dentistry that deals with the diagnosis, prevention, and correction of malpositioned teeth and jaws. Orthodontists are responsible for identifying problems with the positioning of a patient's teeth and with their oral development. They utilize the most advanced procedures and equipment available to ensure that every patient achieves a healthy and beautiful smile.

Outside of the office, Dr. Pewarski enjoys spending quality time with her loved ones, indulging in her passion for literature, exploring the culinary delights of New York City, and embarking on outdoor adventures including skiing, hiking and traveling. Her multifaceted interests and vibrant personality make her not just a skilled orthodontist but also a trusted confidante for families seeking the best possible dental care for their children.
