

World Renowned Eye Surgeon Dr. Arun C. Gulani Honored with "Gulani Vision Day"

Surgeon honored for creating record Medical Tourism as Blind man from Kenya receives Miracle of Sight.

Jacksonville, Florida Feb 16, 2024 ([IssueWire.com](http://www.IssueWire.com)) - Dr. Arun C. Gulani, acclaimed as the "Vision Artist" for his exceptional surgical skills and visionary approach, has been officially recognized for his contributions to the field of ophthalmology. The Mayor of Jacksonville, Florida, declared September 12th as "Gulani Vision Day" in honor of Dr. Gulani's unparalleled achievements and dedication to transforming lives through innovative eye surgeries which have led to record-breaking medical tourism by patients traveling to seek him from around the globe.

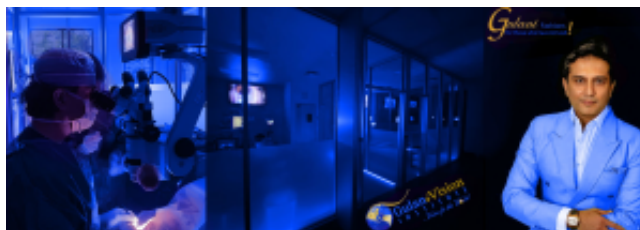

Dr. Gulani's remarkable blend of artistry and surgical expertise has drawn comparisons to the likes of DaVinci and Michelangelo. With a track record spanning over three decades, his groundbreaking innovations and unwavering commitment to patient care have earned him global acclaim.

Among numerous heartwarming stories every day at his Gulani Vision Institute, recently a blind man named Erick, who had lost his vision due to Lasik complications, received the Miracle of Sight at the Gulani Vision Institute. Erick, who had traveled all the way from Kenya, experienced the joy of seeing again on World Sight Day, leaving everyone who witnessed this from around the world, in tears of happiness.

Dr. Gulani, on his own birthday, September 12th, performed the life-changing surgery, making it the inaugural procedure to commemorate his Non-Profit GulaniVision Global Foundation (501 c3), a global resource dedicated to helping those in need of Dr. Gulani's expertise. The atmosphere on day one after surgery was filled with enchantment as Erick, who had endured years of darkness, celebrated his newfound vision by cutting a cake alongside Dr. Gulani and the team at Gulani Vision Institute. This extraordinary event not only marked a milestone in Erick's life but also highlighted Dr. Gulani's unwavering commitment to restoring sight and transforming lives with a reach across borders far and wide.

Dr. Gulani, who recently returned from teaching engagements across Europe and the United States, continues to be a trailblazer in the field of ophthalmology. His revolutionary procedures and innovative techniques including Next Generation Lasik (LaZrPlastique®), Custom Cataract Surgery (LenzOplastique®), and Eye surgery complication corrective techniques (Corneoplastique®) including management of Corneal Scars and Keratoconus have garnered international recognition, making him a sought-after expert in the eye care industry. Through his visionary approach and unmatched surgical craftsmanship, Dr. Gulani has touched the lives of countless individuals, restored hope, and enabled them to rediscover the beauty of the world, while educating and inspiring eye surgeons globally. The declaration of "Gulani Vision Day" by the Mayor of Jacksonville is a testament to his outstanding contributions and serves as an inspiration to the medical community and patients worldwide.
