

Akrisht Pandey, Recognized by BestAgents.us as a 2024 Top Agent

With a drive for innovation and efficiency, Akrisht aims to revolutionize real estate industry standards and enhance the built environment for future generations.

New York City, New York Mar 1, 2024 ([IssueWire.com](https://www.IssueWire.com)) - Specializing in residential and investment properties, Akrisht is a Real Estate Associate at KREA USA, LLC in Miami, Florida. His focus lies in revolutionizing the real estate industry through affordable housing and sustainable development solutions.

An alumnus of MIT with dual degrees in Real Estate Development and City Planning, Akrisht leverages his expertise in financial, social, and environmental aspects of real estate to drive progress, particularly in developing countries. His commitment is evident through his research contributions to MIT's Centre for Real Estate's Sustainable Urbanization Lab.

Before his academic journey at MIT, Akrisht earned his Bachelor of Architecture Degree from the School of Planning of Architecture in New Delhi. Thereafter, he served as the Project Design Manager for the flagship IKEA store in Mumbai and other development projects with Atkins, a respected multinational design and project management consultancy.

In his six years of working as an architect, Akrisht was responsible for developing architecture design, interdisciplinary coordination, developing BIM standards, and translating client requirements to external consultants and contractors. His professional journey has taken him across diverse regions such as the United Kingdom, Middle East, India, and South-East Asia.

Throughout his experiences, Akrisht has consistently showcased flexibility, versatility, and forward-thinking in his approach. He derives immense satisfaction from witnessing a project through from inception to completion, knowing he played a crucial role in the process.

When he is not working, Akrisht is likely running to make space for food, binge-watching tv, exploring a new place on foot or reading something that he stumbled upon at an airport bookstore.
