

Allison Linquist, MD, a Dermatologist in Private Practice

Get to know Dermatologist Dr. Allison Linquist, who serves patients in Elkridge, Maryland.

New York City, New York Mar 8, 2024 ([IssueWire.com](https://www.issuewire.com)) - A top professional in the field of dermatology, Dr. Linquist sees patients at her private practice in Elkridge, Maryland.

Throughout her academic career, she earned her medical degree from the George Washington University School of Medicine and Health Sciences in 1998, before completing her residency in dermatology at the University of Maryland Medical Center in 2003.

Subsequent to her training, the doctor attained board certification in dermatology through the American Board of Dermatology, which is a voluntary, non-profit, private, autonomous organization formed for the primary purpose of protecting the public interest by establishing and maintaining high standards of training, education, and qualifications of physicians rendering care in dermatology.

Dermatology is the branch of medicine dealing with the skin. The skin is the largest organ of the body. Dermatology is a specialty with both medical and surgical aspects. A dermatologist is a specialist doctor who manages skin diseases and deals with both internal and external causes and some cosmetic concerns involving the skin. Dermatological duties include taking consultations, providing screening tests, and undertaking non-invasive surgical procedures.
