**Woodbridge, Mar 20, 2024 ([Issuewire.com](http://Issuewire.com))** - Music marketing and promotion is one of the most effective ways an artist can build their fan bases in this competitive music industry and increase their visibility. The **Music Promotion Club** is the globally leading music promotion company, empowering all kinds of music artists from all over the world. With its variety of promotional packages that run on

SoundCloud and YouTube, it is one of the best choices for both aspiring artists and musicians who want to get more visibility and reach in the industry. Now one of the most reliable music marketing companies is offering a **flat 10% discount** on [Music Promotion Services](#) across all of its platforms. This month's special sale is **starting from 12th March** and will continue **till 29th March**. This is a golden opportunity for artists of different kinds, whether singers, rappers, songwriters, or a music producer. Everyone, making music in any genre can take this perfect opportunity and loads of benefits from the packages that come with a wide variety of attributes.

Musicians can explore the official website of the Music Promotion Club to discover personalized [Soundcloud Music Promotion](#) packages. These custom music marketing packages comprise both social media marketing and content marketing. With the help of different promotional features like press releases, music blogs, artist reviews, featuring in a digital magazine, and authentic promotion on social media, musicians can unlock huge potential growth in their careers. These customized packages help the artist pick and choose which services suit best with their interest and in turn, they will get **15,000 to 150,000 streams** on the SoundCloud tracks. At the same time, the opportunity to custom design will help the artist get personalized EPK and the option to go for extra exposure with paid social media campaigns.

Likewise, the company also provides effective and exclusive promotional services for YouTube, the biggest video streaming platform on the internet. Professional marketers say there is nothing more effective than video marketing and that is exactly what the Music Promotion Club believes in. It is also a customizable marketing option where the musicians can select which services they prefer and go best with their needs and requirements. The packages for [YouTube Video Promotion](#) can bring **2000 to 500,000 views** to the channel within a given time frame. The artists also do not need to worry about the views being filtered as the marketing company uses credible promotional sources, resulting in organic views only. The packages also contain content marketing, social media marketing and the opportunity to be featured in a digital music magazine. The visitors just need to tick the boxes they think are applicable and get started with the campaign.

In this competitive music industry where streaming online is the new way of listening to music, artists also need an official website, containing their musical crafts and personal information. The Music Promotion Club also provides [Artist Website Creation](#) services, giving its clients and their websites a professional and well-crafted look. The services of the marketing company are already quite affordable and now with the latest offer, artists can get all the benefits at a much lower price. Don't miss the opportunity to **pay 10% less** on everything and seal the deal **from 12 to 29th March**.
