

Lisa Snyder, Recognized by BestAgents.us as a 2024 Top Agent

Living by the motto “Building a relationship that brings you home”, Lisa firmly believes that “Everyone deserves a home.”

New York City, New York Mar 21, 2024 ([IssueWire.com](https://www.IssueWire.com)) - Lisa is a Licensed Real Estate Broker Associate at Compass Real Estate in Colorado, Denver. Her pure joy comes from helping them feel good about the significant investment of purchasing a property.

After enjoying sports radio broadcasting and commentating with her weekend morning show, “LIVE with Lisa!” since 2006, Lisa brings her 30+ years in public relations and marketing to the world of real estate. In her broadcasting role with Altitude Sports and ESPN in Colorado, she also enjoyed speaking and moderating engagements with NBA and NFL coaches, US Olympic athletes, as well as many national athletes and celebrities in and outside of the sports world.

As a Colorado resident for nearly 25 years and a mother of three, Lisa has adeptly navigated both the Cherry Creek School District and private educational institutions. Having worked her way through the ups and downs of local and national economies, real estate is a perfect sync to her professional background.

Recognizing that a home is more than just a physical structure, Lisa is dedicated to serving a diverse range of clients, including first-time homebuyers, families relocating within or to Colorado, empty-nesters, and property investors. In addition to feeling the “rush” for her clients, she loves the thrill of the hunt, finding the right home for her buyer or working diligently to get a client’s home prepped for sale. Either way, her objective is to please both sides of the transaction, to make it fit for all parties, where everyone is excited to “say yes to the address!”

When she is not involved with bricks and mortar, one can find Lisa outdoors any time of year. While fall is her favorite season, her Chesapeake Bay roots call her to the sports of paddleboarding and kayaking. And, of course, she wouldn’t call herself a Mile Hile City gal without her two very precocious Bernese Mountain Dogs, Oliver and Bentley.
