

Stephen P. Vargo, DDS, a Dentist with Conroe Advanced Dentistry

Get to know Dentist Dr. Stephen P. Vargo, who serves patients in Conroe, Texas.

New York City, New York Mar 7, 2024 ([IssueWire.com](https://www.issuewire.com)) - Dr. Vargo is a highly-trained dentist currently working with patients at Conroe Advanced Dentistry in Texas. With a philosophy deeply rooted in personalized care, he cultivates a warm and relaxed atmosphere within his practice, ensuring each individual feels valued and supported throughout their dental journey. His dedication extends beyond mere dental procedures; he is committed to fostering lifelong oral health partnerships with his patients.

A graduate of Texas A&M University with a Bachelor of Science degree, Dr. Vargo pursued his passion for dentistry at the University of Texas School of Dentistry, where he obtained his Doctorate in Dental

Surgery. Following his formal education, he honed his skills through a rigorous residency program in Advanced Education in General Dentistry at the South Texas Veterans Healthcare System in San Antonio.

Dr. Vargo's expertise encompasses a broad spectrum of dental services, ranging from routine fillings to complex full-mouth rehabilitation, periodontal surgery, dental implant placement, Invisalign®, and cosmetic restorations. His commitment to staying at the forefront of dental advancements led him to complete the prestigious core curriculum at The Dawson Academy in 2019. This intensive 160-hour continuing education continuum underscored his dedication to comprehensive patient care.

As a testament to his pursuit of excellence, Dr. Vargo attained Fellowship status in the Academy of General Dentistry—an accolade bestowed upon a select few dentists who demonstrate exceptional proficiency through rigorous examination and a substantial commitment to continuing education.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. Dentists diagnose and treat dental issues and help patients develop better oral hygiene regimens. They clean teeth, correct bite issues, perform surgeries and extractions, and perform other duties to ensure that the teeth and mouth are healthy.

Beyond his professional endeavors, Dr. Vargo finds fulfillment in his involvement within his community and church. When he's not in the dental office, he cherishes quality time with his family, indulges in his love for golfing and fishing, explores new destinations through travel, and maintains a healthy lifestyle through regular workouts.
