

# Veteran Naval Leader Larry Rigdon, Jr. Joins Scott & Scott Executive Solutions as Fractional C-Suite Leader

**Temecula, California Mar 8, 2024 ([IssueWire.com](https://www.IssueWire.com))** - Scott & Scott Executive Solutions is thrilled to welcome Larry Rigdon, Jr., ITCM, USN (Ret), MBA to the [Scott & Scott Executive Solutions](https://www.ScottandScottExecutive.com) family of fractional chief executives. Larry brings a wealth of expertise in technology and CYBER/Information Security, acquired through his distinguished 26-year career in the United States Navy.

Throughout his military journey, Larry rose to the prestigious rank of Master Chief Petty Officer, a title held by 1% of the US Navy. His tenure was marked by exemplary service, earning him numerous accolades, and honing his leadership skills in overseeing technology projects, leading communications and information systems, and directing technology operations and budgets. Larry maintains an active TS/SCI designation for organizations looking to provide the utmost in security.

In addition to his remarkable military achievements, Larry's strategic leadership extends to business operations, risk management, information and cybersecurity frameworks, technology procurement, and team development with a commitment to excellence, which aligns seamlessly with Scott & Scott Executive Solutions' mission of delivering cost-effective leadership solutions.

"We are delighted to have Larry join our roster of fractional c-suite executives," says [Courtney Scott, Managing Partner of Scott & Scott Executive Solutions](https://www.ScottandScottExecutive.com). "His proven leadership and his distinguished service are incredible differentiators. We couldn't be more thrilled. We know he'll be an asset to organizations looking for a new era of growth & tech impact."

Larry shares, "The idea of fractional leadership is exciting to me. After my years of service, it's an exciting opportunity to bring insights and best practices to organizations across a host of industries. I'm looking forward to introducing new ideas, processes, and approaches to solve complex business problems in creative and cost-effective ways."

Scott & Scott Executive Solutions says they look forward to leveraging Larry's expertise to deliver exceptional value to clients, foster growth, and make a positive impact in the ever-evolving world of technology and cybersecurity.
