

Gregory A. Williams, DO, FAAFP: President of Tallahassee Primary Care Associates

A Prominent Family Physician with a Passion for Osteopathic Medicine

New York City, New York Apr 17, 2024 ([IssueWire.com](https://www.issuewire.com)) - Dr. Gregory A. Williams, DO, FAAFP, a board-certified family physician, is at the forefront of providing exceptional healthcare services at Tallahassee Primary Care Associates (TPCA). With a strong focus on osteopathic medicine, he leads a team of dedicated practitioners in delivering comprehensive and compassionate care to patients in the Tallahassee area.

TPCA is a premier medical group practice owned and operated by physicians, offering a wide range of medical services through a team of over 50 dedicated practitioners. With a focus on preventive care and diagnostic programs through their Lab and Diagnostic Imaging Center, Clinical Services department, and more, TPCA is committed to providing comprehensive healthcare services to the Tallahassee community.

Dr. Williams' journey toward becoming a renowned family physician began with his academic pursuits at Palm Beach State College and Palm Beach Atlantic University, where he laid the foundation for his career with degrees in General Studies and Biology/Chemistry. His commitment to holistic healthcare led him to Nova Southeastern University, where he earned his Doctor of Osteopathic Medicine Degree in 1992. Following this, he completed his residency in the Family Medicine Residency Program at Tallahassee Memorial Hospital from 1992 to 1995, solidifying his expertise in family medicine.

Recognized for his dedication to advancing the field of family medicine, Dr. Williams is a Diplomate of the American Osteopathic Board of Family Physicians, a Fellow of the American Academy of Family Physicians, a member of the Florida Osteopathic Medical Association, a Board member of the Florida Board of Osteopathic Medicine, and a Florida Delegate to the American Osteopathic Association.

In addition to being a full-time practicing physician with TPCA, Dr. Williams is committed to nurturing the next generation of healthcare professionals. He holds positions as a Clinical Assistant Professor at both the Florida State University College of Medicine and the Alabama College of Osteopathic Medicine, where he imparts his knowledge and expertise to aspiring physicians.

Outside of his professional endeavors, Dr. Williams finds joy in outdoor activities such as boating, fishing, and cycling, reflecting his dedication to a well-rounded and healthy lifestyle. His passion for providing high-quality healthcare services and his commitment to osteopathic medicine make him a respected figure in the medical community.
