

Party Science Sdn Bhd Launches Party8 Original

A Revolutionary Hangover Recovery Supplement

Kuala Lumpur, Malaysia Apr 11, 2024 (Issuewire.com) - Party Science Sdn Bhd is excited to announce the launch of Party8 Original, a pioneering hangover recovery supplement that marries celebration with wellness. Developed by a team of visionaries from varied professional backgrounds, Party8 Original is designed to alleviate hangover symptoms, boost energy, protect the liver, and enhance alcohol intake endurance.

Founders at the Helm:

Nick Lai, a seasoned entrepreneur in the online commerce and marketing industry since 2010 and founder of the Financial Service Aggregator platform Fincrew.my since 2020, brings a wealth of digital expertise to the venture.

Ernest Koong, an entrepreneur deeply involved in the retail sector, contributes his extensive experience in consumer engagement and product innovation.

William Soo and Bee Soo, with over 15 years in the nightlife industry and founders of previous ventures like Idarts and Ipong, infuse Party8 with real insights into the social and entertainment landscapes.

This collaborative effort aims to revolutionize the social wellness industry by providing a product that supports a vibrant social life without compromising health.

Party8 Original's Key Benefits:

- **Hangover Recovery:** Offers fast relief from hangover symptoms for a clearer and more comfortable morning.
- **Energy Boost:** Infuses your body with vitality, keeping you energized.
- **Liver Protection:** Supports liver health, protecting against alcohol-related stress.
- **Alcohol Intake Endurance:** Enhances your enjoyment of social drinks by improving your body's response to alcohol.

Naturally Formulated for Excellence:

Party8 Original is made with 100% natural ingredients, including Green Tea Extract, Ginseng Extract, Dandelion Extract, Curcumin Extract, Inulin Extract, and Milk Thistle, each chosen for their health benefits.

Looking forward, Party Science Sdn Bhd plans to expand its product range to include supplements, functional foods, and drinks that enhance both social life and health, staying true to its mission of blending fun and well-being.

Party8 Original is now available for purchase. Join us in redefining the party experience with health and vitality at its core.

About Party Science Sdn Bhd:

Party Science Sdn Bhd, founded with a vision to blend celebration with wellness, leads in developing innovative health solutions for modern lifestyles. With products like Party8 Original, the company is dedicated to enhancing the social experience without compromising health.
